Peter M. Spalding, D.D.S., Associate Professor and Chair, Growth & Development, to evaluate children with craniofacial anomalies for the Nebraska Department of Social Services, Medically Handicapped Children's Program.

PREVIOUS ACTION: The Board of Regents granted permission to Dr. Bavitz from July 1993 through July 2003, to Dr. Haisch from July 1, 2001 to June 30, 2002, and to Dr. Spalding from July 1995 through September 2003.

MEETING DATE: December 11, 2004

SUBJECT: University of Nebraska-Lincoln (UNL) Othmer Hall-Finishing of  
Basement for Shell Space

RECOMMENDED ACTION: Approve a change to the contracting method and selection process for the  
UNL Othmer Hall-Finishing of Basement for Shell Space

PREVIOUS ACTION: August 7, 2004 – The Board of Regents approved the architect for the  
UNL Othmer Hall-Finishing of Basement for Shell Space.  
  
December 13, 2003 – The Board of Regents approved the program  
statement and budget for the UNL Othmer Hall-Finishing of Basement  
for Shell Space.

EXPLANATION: A United States Army Medical Research and Materials Command  
(USAMRMC) grant has been awarded to UNL to finish 10,000 gross  
square feet in the basement for the current Good Manufacturing Practices  
(cGMP) processing facility. The grant amount of \$4,670,000 will be  
used to design the facility, determine the required phasing, and complete  
the first phase of construction. No additional construction will proceed  
without securing funding sources.  
  
The design of the first phase is nearing completion and is planned for the  
first floor instead of the basement because of functional requirements not  
previously anticipated. The design took longer than originally scheduled  
due to the complexity of the project and the need to define all the phases  
prior to designing the first phase.  
  
It is now critical to construct the first phase on an accelerated schedule  
because of grants and contracts received by faculty, and the need to  
complete the construction for the first phase in April 2005, which will  
enable the use of equipment and the start of production processes on  
time. It has been determined that fast-tracking the project is the only  
way to complete the project within this time frame.  
  
Approval of this item will allow UNL to expedite the procurement of the  
estimated \$1,300,000 construction contract by changing from the  
previously approved conventional Design-Bid-Build method of  
contracting to the Construction Management with a Guaranteed  
Maximum Price (CM/GMP) method.  
  
Budgets and sources of funding remain unchanged from the agenda item  
of August 7, 2004.

Proposed start of construction: December 2004  
Proposed completion of construction: April 2005

SUBJECT: Appointment of two members, Byers W. Shaw, M.D. and Randolph M. Ferlic, M.D., to the Board of Directors of The Nebraska Medical Center

RECOMMENDED ACTION: Approve appointment of two members, Byers W. Shaw, M.D. and Randolph M. Ferlic, M.D., to the Board of Directors of The Nebraska Medical Center effective January 1, 2005, for a term of three years.

PREVIOUS ACTION: December 13, 2003 - The Regents approved the appointment of Harold M. Maurer, M.D. and Harlan Noddle for a term of three years to fill the expired terms.  
October 11, 2002 - The Regents approved the appointment of Gail Walling Yanney, M.D. and Jan Thayer for a term of three years to fill the expired terms.  
September 7, 2001 - The Regents approved the appointment of Kim M. Robak, J.D. and Byers W. Shaw, M.D. for a term of three years to fill the expired terms.  
September 29, 1997 - The Regents approved the initial appointment of six members to the NHS Board of Directors.

EXPLANATION: The Nebraska Medical Center Bylaws provide that the term of the appointments of all twelve members of The Nebraska Medical Center Board of Directors will be three years. Upon expiration of the three year term of each of the initial appointees, the two members of The Nebraska Medical Center (the Regents and the combined Clarkson entities) shall thereafter each appoint six directors with staggered terms. As the staggered terms expire, subsequent appointments are all for terms of three years. The current Board of Directors appointed by the Board of Regents and their terms are:

Kim M. Robak, J.D.	January 1, 2002 - December 31, 2004
Byers W. Shaw, M.D.	January 1, 2002 - December 31, 2004

Gail Walling Yanney, M.D.	January 1, 2003 - December 31, 2005
Harold M. Maurer, M.D.	January 1, 2004 - December 31, 2006
Harlan Noddle	January 1, 2004 - December 31, 2006

It is recommended that the Regents approve the appointment of the following two persons to The Nebraska Medical Center Board of Directors for a term of three years:

MEETING DATE: December 11, 2004

SUBJECT: University of Nebraska at Kearney Food Service Contract

RECOMMENDED ACTION: Approve an amendment to the University of Nebraska at Kearney Food Service Contract with Chartwells' Division of Compass Group USA, Inc. approved by the Board on April 24, 2004.

PREVIOUS ACTION: April 24, 2004 – The Board approved the University of Nebraska at Kearney Food Service Contract with Chartwells' Division of Compass Group USA, Inc. to operate food services for a seven year period July 1, 2004 through June 30, 2011.

EXPLANATION: Chartwells (formerly Professional Food Management) has operated the food service for the University of Nebraska at Kearney campus in the Nebraskan Student Union continuously since 1984.

Under previous contracts with Chartwells, facilities improvements made by Chartwells in agreement with the University of Nebraska at Kearney were amortized over the life of the contract, such that if the contract were terminated prior to its expiration date, Chartwells would be proportionately reimbursed for the cost of improvements. This clause was inadvertently omitted from the contract approved by the Board in April 2004. Given that Chartwells has been a valued corporate partner and that this proviso had been the basis for previous contracts, the administration is recommending that the Board approve this amendment of the current contract.

Members of the public and news media may obtain a copy of the proposed amendment in the Office of the University Corporation Secretary, 3835 Holdrege Street, Lincoln, Nebraska 68583, between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, except University holidays.

SUBJECT: University of Nebraska-Lincoln (UNL) Behlen Renovation for Nanotechnology/Atomic, Molecular, and Optical Physics

RECOMMENDED ACTION: Approve a \$770,000 increase in the project budget for the University of Nebraska-Lincoln (UNL) Behlen Renovation for Nanotechnology/Atomic, Molecular, and Optical Physics.

PREVIOUS ACTION: October 17, 2003 – The Board approved the design development report for the UNL Behlen Renovation for Nanotechnology/Atomic, Molecular, and Optical Physics.  
 June 7, 2003 - The Board approved the program statement for the UNL Behlen Renovation for Nanotechnology/Atomic, Molecular, and Optical Physics.

EXPLANATION: The project as originally programmed would remodel 5,414 gross square feet of existing space into laboratory and office spaces. The project also includes adding a new emergency exit stairway from the sub-basement laboratory. The stairway will be sufficiently large to provide equipment access to the basement spaces. Davis Design of Lincoln was selected as the Project Architect. The contractor for the project is Hawkins Construction and construction is underway.

Recent successes in recruiting and research at UNL dictates further improvements necessary to accommodate the research projects of a newly-hired professor. Approval of this item will allow additional improvements including the mechanical system, electrical system, clean room finishes, and radiation walls. The construction work to accomplish these improvements will be competitively procured in accordance with Board policy. The improvements envisioned and additional facilities investment would not be “sunk costs” should UNL’s priority deferred maintenance project encompassing Behlen be approved. Approval of this item will increase the project budget to \$1,370,000.

RECOMMENDED ACTION: Approve a five-year agreement with St. Elizabeth Regional Medical Center (St. Elizabeth) for a sponsorship of the intercollegiate athletic programs of the University of Nebraska-Lincoln (UNL).

PREVIOUS ACTION: None.

EXPLANATION: Over a term of five years, St. Elizabeth will pay to UNL and to the University of Nebraska Foundation for the benefit of the Department of Intercollegiate Athletics at UNL the aggregate sum of \$1,100,000. The agreement shall consist of (1) a License Agreement, permitting the use of UNL trademarks in the promotion of St. Elizabeth services and products; and (2) a qualified Sponsorship Agreement which consists of a charitable donation from St. Elizabeth for which St. Elizabeth will receive major signage and other permitted forms of sponsorship recognition in various athletic venues.

SUBJECT: Gift from Durham Foundation

RECOMMENDED ACTION: Approve a written agreement with the University of Nebraska Foundation relating to a private gift from the Durham Foundation to the University Foundation for the purpose of funding a substantial part of the proposed Research Center of Excellence II Building at the University of Nebraska Medical Center.

PREVIOUS ACTION: October 29, 2004 – The Regents approved the program statement and budget for the Research Center of Excellence II Building.  
  
August 26, 2000 – The regents approved a similar written agreement with the University of Nebraska Foundation relating to a private gift from the Durham Foundation to the University Foundation for the purpose of funding in substantial part the Durham Research Center and related facilities at the University of Nebraska Medical Center.

EXPLANATION: The Durham Foundation, established by Charles W. Durham and the late Marge H. Durham, has recently made another exceptionally generous gift to the University of Nebraska Foundation to support medical research. This gift will fund a substantial part of the construction of the proposed Research Center of Excellence II Building on the University of Nebraska Medical Center campus directly south of the existing Durham Research Center. The Durham Research Center and the new Research Center of Excellence II Building will form part of the UNMC campus that is known as the Durham Research Plaza.  
  
A private written agreement between the Durham Foundation and the University Foundation for this new generous gift (the “gift agreement”) requires certain agreements and actions by the Regents as a condition of the gift, including provisions for the future naming of the Research Center of Excellence II Building.  
  
A condition is included in the gift agreement requiring the amount of this new gift from the Durham Foundation to be confidential and not publicly disclosed without written consent as specified in the agreement. However, the total amount of this generous gift has been communicated to each member of the Board. In order to honor the condition in the gift agreement that the amount of the gift remain confidential, the attached Agreement with the University Foundation

provides for the execution of those agreements and actions required of the Regents in connection with the gift agreement.

A copy of the Agreement with the University Foundation is on file in the office of the Corporation Secretary of the University, 3835 Holdrege Street, Lincoln, Nebraska 68583, phone 402-472-3906, and the same may be examined there by the public between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, except University holidays.

With approval of this addendum the Board of Regents expresses on behalf of the entire University continuing deepest gratitude and appreciation to Charles W. Durham and the Durham Foundation for this additional and exceptionally generous gift to the University Foundation. As with all prior gifts from the Durham Foundation, this gift will have a lasting impact upon the advancement of research in the medical arts and sciences.

RECOMMENDED ACTION: Delegate authority to the Executive Committee to conduct strategy sessions with respect to collective bargaining from December 12, 2004, to the next meeting of the Board on January 15, 2005; and authorize the President to approve final offers in the current collective bargaining process as required by law.

PREVIOUS ACTION: None.

EXPLANATION: Between this meeting of the Board and the next meeting on January 15, 2005, it may be necessary for the Board's collective bargaining representatives to engage in strategy sessions with the Board concerning the current round of collective bargaining negotiations with the University of Nebraska at Omaha Chapter of the American Association of University Professors and the University of Nebraska at Kearney Education Association, who respectively represent the faculties at UNO and UNK. It is often not possible to convene the entire Board in timely manner to conduct strategy sessions during the progress of collective bargaining negotiations up to the time the parties are required to submit their final offers as required by the State Employees Collective Bargaining Act (*Neb. Rev. Stat. §§ 81-1369 through 1390*).

It will also authorize the President to approve final offers on behalf of the Board as required by law in the current collective bargaining process with the University of Nebraska at Omaha Chapter of the American Association of University Professors, and the University of Nebraska at Kearney Education Association.

RECOMMENDED ACTION: Approve revisions to the 2005-07 University of Nebraska Biennial Operating Budget Request

PREVIOUS ACTION: June 5, 2004 the 2005-07 University of Nebraska Biennial Operating Budget Request was approved by the Board of Regents.
