

NUFlex Benefits Adding Dependent

To be covered for health insurance, dependents must have a check mark in the 'selected' box to the left of their name and be a verified dependent. To verify existing unverified dependents, please contact your campus benefits office. Refer to [NUFlex Benefits Enrollment](#) for additional information.

REQUIRED FORM

All dependent information must be received in your Campus Benefits Office by 5:00pm on the last date of the enrollment period. You can submit this form via paper or attach a file within the dependents section of any health plan (medical, dental, or vision).

The dependent information request form can be found [here](#).

ADD DEPENDENT

From within NUFlex Benefits Enrollment, dependents can be added from any health insurance plan: medical, dental, or vision care. Once a dependent has been added, they will be available to select within each plan.

To add a dependent, scroll to the bottom of a health plan page. Click on .
