**RP-5.7.1 Residency Determination for Tuition Purposes**

1. Preamble  
Pursuant to Article VII, Section 10 of the Constitution of the State of Nebraska, and Neb. Rev. Stat., §§ 85-501 and 85-502, the University has been authorized to develop regulations and make determinations regarding Nebraska residency for tuition purposes. These regulations provide the bases upon which University staff shall determine, on a uniform intercampus basis, whether an individual qualifies as a Nebraska resident for tuition purposes.

It should be emphasized that the statutes provide a set of minimum standards which will govern a determination of resident status for tuition purposes only. In some instances it will possible that an individual may qualify as a “resident” of Nebraska for one purpose (such as securing a Nebraska driver's license) and still not meet the standards established by the Board of Regents for resident tuition status. Individuals seeking a Nebraska residency determination for tuition purposes should, therefore, carefully study all aspects of the law and these regulations before seeking resident tuition status.

These regulations require that a determination of resident status be made “at the time of each registration.” In addition, state law guarantees that once an individual has been enrolled at the University or one of the Nebraska state colleges as a resident student, he or she shall be afforded that privilege during the balance of that and any subsequent enrollments at the University, provided the student is readmitted within a two year time period.

It should be noted that an individual who moves to Nebraska primarily to enroll in an institution of higher education of the state is presumed to be a non-resident for tuition purposes for the duration of his or her attendance at the University.

Individuals seeking to establish resident status for tuition purposes who are subject to the 12 months minimum requirement must have established a home in Nebraska at least 12 months prior to the time they request a determination of residency. In addition, they must also initiate the various other domiciliary contacts which will support their application within a reasonable period of time after they have established their domicile in Nebraska. That is, it will not be sufficient to show only that they have established a home in Nebraska for 12 months. They will also be expected to demonstrate that the supporting contact points, such as a Nebraska driver's license and Nebraska checking or savings accounts, have also been held for a reasonable period of time.

Individuals seeking a resident student determination for tuition purposes will be required to sign a notarized affidavit attesting to the truth of their statements. If it is subsequently determined that an individual has falsified such a statement, he or she may be subjected to disciplinary action by the University before the individual will be permitted to continue with his or her studies at the University. Such disciplinary action will be determined on an individual basis, and may include measures such as disciplinary probation or suspension, expulsion from the University, or a requirement that the individual reimburse the University for the difference between the tuition paid and nonresident tuition rate.

## 2. Definitions

For the purpose of these regulations, the following definitions shall apply:

- a. **Resident Fees** shall mean the resident tuition rate set by the Board of Regents applicable to the academic program in which an individual intends to enroll.
- b. **Non-Resident Fees** shall mean the nonresident tuition rate set by the Board of Regents applicable to the academic program in which an individual intends to enroll.
- c. **Legal Age** shall be the age of majority set by Nebraska statute.
- d. **Emancipated Minor** shall mean an individual who by virtue of marriage, financial status, or for other reasons, has become independent of his or her parents or guardians.
- e. The phrase “**established a home**” shall mean that an individual continuously maintains a primary place of residence in Nebraska where the individual is habitually present.
- f. **Legal Residence** shall mean the place of domicile or permanent abode as distinguished from temporary residence.
- g. **Dependent** refers to a person who is claimed as a dependent or an exemption for federal income tax purposes by a parent, guardian, or spouse.

## 3. Resident Tuition Categories
