

A WELCOME TO HUSKER FANS FROM PRESIDENT BOUNDS

There's nothing like fall in Nebraska. It's a special season, full of traditions like Husker football that bring the people of our state together. Not only that, but fall signals the start of a new school year—bringing the promise of new experiences and opportunities for University of Nebraska students.

I BELIEVE NEBRASKA SHOULD BE THE BEST PLACE IN THE NATION TO BE A STUDENT.

What does that mean for our student-athletes?

- Students are at the heart of everything we do. We put their success and well-being first.
- The time student-athletes spend at NU lays a strong foundation for the rest of their lives.

There's no doubt we accomplish great things on the field, but what we do off the field is even more impactful. Husker student-athletes are role models

and ambassadors for the university and our state. I'm impressed by their talents. And I'm grateful to the coaches and staff who serve on their behalf.

The University of Nebraska should be a place where all students can succeed. Where they matter, where their education is second to none, and where they leave ready to take on their next challenge.

Thank you for your support of the Huskers and the University of Nebraska. Go Big Red!
