

A THANK YOU TO HUSKER FANS FROM PRESIDENT GOLD

Husker Athletics, like the University of Nebraska overall, is in pursuit of excellence—on the gridiron and the hardwood; in teaching, research and engagement. Together, we are on an odyssey to the extraordinary, reaching new heights every step of the way.

Thanks to your support of the Huskers and the University of Nebraska, our student-athletes are achieving at the highest levels in competition, in the classroom and in their communities.

The numbers speak volumes.

Our Husker student-athletes have achieved a Graduation Success Rate of 93% or higher for six consecutive years.

Last year, 71 Husker football players earned Academic All-Big Ten honors, the highest in program history.

The Huskers also ranked No. 1 in the Big Ten and second nationally in the number of Academic All-Americans, reflecting a deep commitment to both athletic and academic success.

“We are on an odyssey to extraordinary, reaching new heights every step of the way.”

I hope you'll join me in continuing to celebrate the remarkable achievements of our student-athletes and the incredibly bright future of the University of Nebraska.
