

# A THANK YOU TO HUSKER FANS FROM PRESIDENT CARTER

**T**he fall semester is a special time—an opportunity to welcome a new class of future leaders to our campuses. It reminds me how grateful I am to be part of the University of Nebraska family.

Watching our faculty, staff and students persevere through challenging times has reminded me of the qualities that make Nebraska so special: our work ethic, resilience, our common sense and care for others.

Our coaches and staff, too, have gone above and beyond to make sure our student-athletes have every opportunity to compete. That's what we do as Nebraskans—compete to win.

Thanks to the hard work of so many, today the University of Nebraska is in a position of great strength. I truly believe there's never been a better time to be a Husker.

I'm so proud of the commitment the Husker family has shown for their team and their university. We truly have the greatest fans in the world, and it pays off in the classroom, on the field and in the lives of our student-athletes.

“Nebraska is special because we are ‘one team.’ As Coach Frost says, we have a unity of purpose here that sets us apart from everyone else.”

Thank you for your support of the Huskers and the University of Nebraska. Go Big Red!
