

A THANK YOU TO HUSKER FANS FROM PRESIDENT CARTER

What a great time to be a Husker! We've all been counting down the days until Coach Matt Rhule and his team take the field. Count me among the believers—I think big things are in store for this coaching staff and talented group of young men.

This year will be special in more ways than one. We have exciting plans to celebrate the 100th anniversary of Memorial Stadium and I can't wait for our fans to start making new memories inside Nebraska's most iconic facility. Volleyball Day will only add to our stadium's storied history.

It's all possible because of you—the greatest fans in the world. Thanks to your support for our student-athletes and our entire university, the University of Nebraska is in a strong position to grow, succeed and change lives.

When you cheer for the Big Red, it pays off on the field, in the classroom and in our communities.

As Coach Rhule says, every day we get a little bit better. The future is bright for Nebraska.

“Thanks to your support, the University of Nebraska is in a strong position to grow, succeed and change lives.”

On behalf of all of us, thank you for all you do to show your Husker Pride. Go Big Red!

TED CARTER

President, University of Nebraska System
