

# Annual NUFLEX BENEFITS ENROLLMENT

Retiree Newsletter

## NUFLEX BENEFITS ENROLLMENT PERIOD: October 30 – November 17, 2023

The University of Nebraska System annual benefits enrollment period is currently underway. We would like to take this opportunity to share some information about your health plans for 2024.

Between now and Nov. 17, 2023, you have the opportunity to request a different medical option or cancel your medical and/or dental insurance coverage. If you would like to make any changes to your coverage for 2024, please complete the enclosed Retiree Insurance Change Form and return it to your Campus Benefits Office by Friday, Nov. 17, 2023. All changes will take effect Jan. 1, 2024. **Please note that if you cancel your coverage, you will not be allowed to re-enroll for coverage in the future.**

Beginning on January 1, 2024 the University will have new health, pharmacy, and dental insurance carriers. Blue Cross and Blue Shield of Nebraska will be the new health and dental insurance company. EmpiRx Health will provide the University prescription drug coverage.

Additional benefits information is available on the University of Nebraska benefits web page at [www.nebraska.edu/benefits](http://www.nebraska.edu/benefits). If you have any questions, or need assistance, please contact your Campus Benefits Office.

# BENEFITS ENROLLMENT

## How to Change Coverage

### How to Make Changes in Coverage

If you would like to change or cancel your medical and/or dental insurance coverage, please complete the enclosed Retiree Insurance Change Form and return it to your Campus Benefits Office no later than Nov. 17, 2023.

If any changes are made for 2024 the medical and dental insurance premiums (see enclosed document) will be automatically changed for the January 2024 electronic withdrawal. As a result, you do not need to contact your bank.

Deductibles, coinsurance, and out-of-pocket limits will not increase.

We would like to remind you that if you elect to cancel your retiree medical and/or dental coverage with the university at any other time during the year, you must notify your Campus Benefits Office in writing by the 15th of the month prior to the effective month of cancellation (i.e., if cancellation notice is received Dec. 10, cancellation will be effective Jan. 1).

Notice of cancellation received after the 15th of the month will not be effective until the 2nd month after notification (i.e., if cancellation notice is received Dec. 21, cancellation will be effective Feb. 1). No premium refunds will be made when medical insurance coverage is cancelled. This policy also applies to any change to an electronic banking arrangement (ACH), i.e., change in banks, accounts, etc.

### Remember to Update your Records

Please remember to keep your contact information, including your home address, telephone number and email address, up-to-date should the university need to contact you.

Please contact your Campus Benefits Office to update your personal contact information.

**Remember to  
make changes  
to coverage by  
November 17.**

# Health Risk Assessment

The University of Nebraska is committed to helping you take control of your health. To help you manage your health and medical care costs, we are giving you the opportunity to complete the Health Risk Assessment (HRA) again this year. This assessment will help you evaluate and monitor your health and you will receive the enhanced wellness and preventive services benefit for completing it.

You can complete the Health Risk Assessment any time between Monday, Oct. 30, 2023, and Friday, Nov. 17, 2023, at 5 p.m. CST. The assessment is available online at <https://platform.healthimprovementsolutions.com/>. Please watch for an email with information about how to log in and complete the HRA. An email will be sent to the email address you previously provided. You must be enrolled in our medical plan and have an email on file with the university to receive the enhanced benefits.

The HRA assessment will ask for the password you previously created. If you are new to retiree insurance or forgot your previous password, please click the Forgot Password link to reset your password.

After you complete the HRA, you will receive a Personal Health Report. **You must print or save the report to receive credit for completing the HRA.** As always, your personal health information will remain confidential—the university will not have access to your individual survey data.

## Complete the HRA by November 17

### Enhanced Wellness and Preventive Services

If you complete the HRA and are enrolled in the university's low, basic, or high plan, you will receive the following enhanced wellness and preventive services benefit for you and your covered family members in 2024:

**\$400**  
allowance

Annual preventive care allowance of \$400 (for insureds age 2 and over).

**\$0**  
copay

\$0 copay for flu shots administered at an in-network pharmacy and submitted to the prescription drug program.

**\$0**  
copay

\$0 copay for generic prescription drugs through the mail service program with no annual deductible.

**100%**  
coverage

100% coverage for a routine preventive colonoscopy once every 10 years beginning at age 45.

(Services must be provided by a PPO provider. Out-of-network charges may apply if colonoscopy lab services are provided out-of-network or outside the state of where the colonoscopy is performed.)

# BENEFITS ENROLLMENT

## Medical Coverage

### New: Price Change for 2024

Medical insurance premiums will increase by 9.1% in 2024. Enclosed is a document showing the retiree medical insurance premiums for all options and coverage categories. There will be no changes to deductibles, coinsurance, stop-loss limits, and prescription drug copays. **We would like to remind you that the medical plan is closed to new enrollments, including the addition of new dependents.**

The retiree health insurance program is self sustaining and does not receive any institutional funds. Every year we hire an external actuary firm to evaluate premium pricing and claim trend.

### Schedule of Benefits

If you are enrolled in the medical plan, you will receive a Schedule of Benefits confirming your medical insurance coverage in January 2024. The Medical Certificate of Coverage (plan booklet) will be available on the university's benefits web page at [www.nebraska.edu/benefits](http://www.nebraska.edu/benefits) in January 2024.

### Summary of Benefits and Coverage

The Summary of Benefits and Coverage (SBC) is a document that summarizes important information about your health benefits. The SBC is designed to help you make informed decisions about which medical plan best meets your needs. As part of the federal health care reform legislation, we have made the SBCs available to you at [www.nebraska.edu/benefits](http://www.nebraska.edu/benefits).

### New Carrier

Blue Cross and Blue Shield of Nebraska is the health insurance carrier. Blue Cross has created a custom phone number and website to assist university health plan participants. The website is [nebraskablue.com/unsystem](http://nebraskablue.com/unsystem) and the phone number is (866) 926-1498. These resources can assist with in-network provider searches, scheduling appointments, checking eligibility for care management programs, and many other services.

## Choosing the Right Medical Plan

You have three medical plan options through Blue Cross and Blue Shield—low, basic and high. All options include prescription drug coverage through EmpiRx Health. The plans differ in the premium, deductible, coinsurance and stop-loss amounts. Please see the enclosed document for retiree medical insurance premiums for all options and coverage categories. Take time to compare the three options and find the right plan for you and your lifestyle.

	<b>Low</b>	<b>Basic</b>	<b>High</b>
What do you prefer?	<b>Low:</b> You would rather pay less each month and pay more when you receive medical care. You don't expect to have many medical expenses, but you have enough money on hand to pay the full deductible if you do need care.	<b>Basic:</b> You prefer a balance between the amount you pay each month and the amount you pay out-of-pocket when you receive medical care. Many people find that the basic option is the best choice, from a purely economic perspective.	<b>High:</b> You prefer to pay more each month so you can pay less when you receive medical care. Please note that the premiums for the high option are significantly higher than the premiums for the low and basic options. If you are currently enrolled in the high option, you may want to consider changing to the low or basic option.
<b>Annual Deductible (The amount you pay out-of-pocket for health care before the plan begins to pay. You are responsible for the deductible when you receive care.)</b>			
- PPO	\$1,550	\$450	\$300
- Non-PPO	\$1,950	\$650	\$450
- Enhanced Provider	\$1,350	\$300	\$200
<b>Coinsurance (The percentage of an insurance claim that you are responsible for paying.)</b>			
- PPO	You pay 30%	You pay 30%	You pay 20%
- Non-PPO	You pay 45%	You pay 45%	You pay 35%
- Enhanced Provider	You pay 15%	You pay 15%	You pay 10%
<b>Stop-loss (The maximum amount you will have to pay per year—not including your deductible.)</b>			
- PPO	\$2,500	\$1,600	\$1,400
- Non-PPO	\$2,900	\$2,000	\$1,700
- Enhanced Provider	\$2,300	\$1,450	\$1,300

We encourage you to discuss your unique needs, financial status and health coverage concerns with your Campus Benefits Office to make sure you find the right plan for you and your family. More information is also available at [www.nebraska.edu/benefits](http://www.nebraska.edu/benefits).

# BENEFITS ENROLLMENT

## Prescription Drug Coverage

Prescription drug coverage through EmpiRx Health is included in your medical coverage—you do not have to pay an additional premium to participate. You can fill your prescriptions in person at a participating retail network pharmacy or by mail order.

### New for 2024

Prescription drug deductible and copay amounts will not increase in 2024.

Each covered person is required to establish a one-time annual \$57 prescription drug deductible for brand-name drugs. Once you meet the deductible, you will pay the applicable prescription drug copay listed below.

Day Supply	Up to 30
Generic	\$9 copay
Brand (on Formulary/Primary Drug List)	\$31 copay
Brand (not on Formulary/Primary Drug List)	\$52 copay

\*An annual \$57 deductible is also required for brand-name drugs for each covered person.

### New Carrier

EmpiRx Health will be the new pharmacy insurance carrier starting January 1, 2024. EmpiRx Health has a custom phone number to assist members with any questions you may have. The phone number is 1-833-419-3436. You may also visit [myempirxhealth.com](https://myempirxhealth.com) and select continue as guest to learn more about EmpiRx Health.

Please visit [nebraska.edu/benefits](https://nebraska.edu/benefits) to access additional information about the pharmacy network and covered medication formulary.

**\$0**

Generic copay through mail service if you complete the HRA

If you complete the Health Risk Assessment and are enrolled in the university's medical plan, you can obtain generic drugs through the mail service program for \$0 copay. The \$0 copay is not applicable at any retail network pharmacy or for speciality medications.

Additional information will be sent to existing and new members who wish to enroll in the pharmacy mail services program in December 2023. This will include information on how to transition your existing mail order to the new mail order program starting in January 2024.

For health plan participants that receive a flu shot in an in-network pharmacy, and also complete the Health Risk Assessment, there will be \$0 copay for the claim processed with the prescription drug coverage.

# Dental Coverage

## New: Price Change for 2024

Dental plan premiums will increase \$2 per month in 2024. This is only the third increase in dental plan premiums since 2014. The increase is necessary to keep pace with inflation and increased utilization. Enclosed is a document showing dental premiums for all coverage categories.

Dental coverage will be offered through Blue Cross and Blue Shield of Nebraska. Plan coverages are similar to the dental coverage provided in prior years. Visit [nebraskablue.com/unsystem](https://nebraskablue.com/unsystem) to view additional details on the dental plan or you can call Blue Cross at 866-926-1498. **We would like to remind you that the dental plan is closed to new enrollments, including the addition of new dependents.**

The Dental Certificate of Coverage (plan booklet) will be available on the university's benefits web page at [www.nebraska.edu/benefits](https://www.nebraska.edu/benefits).

The University of Nebraska believes its medical plan is a "grandfathered health plan" under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your plan may not include certain consumer protections of the Affordable Care Act that apply to other plans (e.g., the requirement for the provision of preventive health services without any cost sharing). However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act (e.g., the elimination of lifetime limits on benefits).

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to your Campus Benefits Office. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform). This website has a table summarizing which protections do and do not apply to grandfathered health plans.

The University of Nebraska does not discriminate based on race, color, ethnicity, national origin, sex, pregnancy, sexual orientation, gender identity, religion, disability, age, genetic information, veteran status, marital status, and/or political affiliation in its programs, activities, or employment. For nondiscrimination inquiries, contact the Title IX Coordinator or the Section 504/ADA Coordinator at 3835 Holdrege Street, Lincoln, NE 68583, (402) 472-2111.
