Important Questions	Answers	Why this Matters:
What is the overall deductible ?	\$200 person / \$400 family Enhanced \$300 person / \$600 family In Network \$450 person / \$900 family Out-of-Network	Generally, you must pay all the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	No.	You will have to meet the deductible before the plan pays for any services.
Are there other deductibles for specific services?	No.	You have a \$57.00 annual deductible for brand name drugs for each covered person.
What is the out-of-pocket limit for this plan ?	\$1,500 person / \$3,000 family Enhanced \$1,700 person / \$3,400 family In Network \$2,150 person / \$4,300 family Out-of-Network	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit ?	Penalties, premiums , balance billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.umar.com or call 1-844-659-5059 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
