

# UNIVERSITY OF NEBRASKA

## PROGRAM NUMBERS FOR CONSTRUCTION PROJECTS

### PROCEDURES UNFP 6.3.6.9

#### **I. Reference and Application:**

- A. Department of Administrative Services requires separate program numbers for each project \$2,000,000 and greater.
- B. On November 7, 2008, the Board of Regents (BOR) approved a policy for Capital Planning and Development
- C. Application: The procedures apply to all University construction projects funded from current operating budgets, capital construction appropriations, and gifts and bequests.

#### **II. Objectives and Limitations:**

- A. The objective of these procedures is to provide guidelines necessary to comply with Board policy (RP-6.3.6) *Capital Planning and Development* and provide a uniform and effective way to provide budget control and comply with DAS requirements.

#### **III. Procedures**

- A. Campuses will work with the Director of Accounting Services to obtain a separate 900 program number for each project with total project costs of \$2,000,000 or greater funded from current operating budgets, capital construction appropriations, and gifts and bequests.
- B. Projects funded from current operating budgets and gifts and bequests, with total project costs less than \$2,000,000 will be coded to one or more 900 campus program numbers entitled "miscellaneous renovations".
