

March 12 – Word Search & Hidden Message

Complete the Project 921 Word Search and send it to Project921@nebraska.edu.

Tip: Use your lasso or highlighter tool in Adobe to circle the words.

Instructions: This is a word search puzzle that has a hidden message. First, find all the words in the list below. Words are found diagonally (bottom right to top left, too!), right to left, and left to right. Once you find all the words, copy the unused letters starting in the top left corner into the blanks to reveal the hidden message.

You can learn about these topics by visiting the Project 921 website for past articles, videos, FAQs, and more, as well as contacting your Project 921 Change Champion.
