

## **Conferma Lodging Card Now Available**

The process of securing hotel reservations in the Concur booking tool using the university credit card is now available. This applies to hotel reservations made within Concur or with a Fox World Travel agent beginning March 13, 2020.

The Conferma Lodging card (secure pay) provides an alternative for travelers who do not want to use their personal credit card for hotel reservations. Conferma, the secure pay company, charges a \$3.00 fee per transaction.

For more information regarding the Conferma Lodging card and booking hotels within Concur, review the quick reference guide [Book a Hotel Using Conferma Lodging Card](#).
