

Traveler's Journey: Car Rental

The Big 10 car rental partners, Enterprise and National, are taking safety into consideration prior to a traveler stepping into a rental car with their "Complete Clean Promise". The following wipe down process will be done to every vehicle before it is rented out.

- Key / key fob
- Steering wheel and column
- Seat belts
- Center console
- Door interiors and door pockets
- Interior & exterior door handles
- Seat pockets / seat surfaces
- Areas between seats & consoles/doorjamb
- Cupholders / compartments
- Instrument panel
- Accessory panel / touchscreen
- Rearview mirror / side mirrors
- Visors / visor mirrors
- Dashboard / vents
- Gear stick / gear shift
- Trunk release
- Any other high-touch areas

Employees may sign up for the university's travel listserv to receive up-to-date travel information [here](#).
