STATEWIDE IMPACT

UNIVERSITY OF NEBRASKA

For over 150 years, the University of Nebraska has served the citizens of the state through high-quality, affordable education, research that improves the quality of life for Nebraskans, and engagement with citizens in every county. Thanks to an enduring partnership with the state, along with unprecedented support from the private sector, the university has fulfilled its land grant mission of supporting Nebraskans.

NU returns **\$7** for every **\$1** invested by the state legislature.

NU generates a **\$4.5B** total annual economic impact.

Nebraska Medicine, an NU affiliate, generates an additional **\$3.1B** total annual economic impact.

38,000 jobs in Nebraska are supported by the University of Nebraska.

NU research generates a **\$400M** annual economic impact, supporting **2,600** jobs statewide.

One of every 26 jobs statewide is supported directly or indirectly by NU.

NU generated **\$154M** in tax revenue to state and local governments in 2018.

NU graduates almost **11,000** students each year to fill Nebraska's workforce.

NU works with over **75%** of Nebraska's **77,097** producers to boost productivity.

NU empowers **140,000** Nebraska 4-H students with life skills every year.

NU has educated over **40%** of Nebraska's **23,492** teachers.

NU trains over half of Nebraska's **11,000** doctors, dentists and health professionals.
