For over 150 years, the University of Nebraska has served the citizens of the state through high-quality, affordable education, research that improves the quality of life for Nebraskans, and engagement with citizens in every county. Thanks to an enduring partnership with the state, along with unprecedented support from the private sector, the university has fulfilled its land grant mission of supporting Nebraskans.

**NU returns $7 for every $1 invested by the state legislature.**

**NU generates a $4.5B total annual economic impact.**

Nebraska Medicine, an NU affiliate, generates an additional $3.1B total annual economic impact.
