

CREATE AND SUBMIT A TRAVEL REQUEST

Updated August 7, 2019

TRAVEL APPLICATION

Request

HELPFUL HINTS

- The purpose of a travel request is to obtain pre-travel authorization. This is required before booking any travel accommodations in the Concur booking tool.
- Expenses cannot be submitted without an approved travel request.
- The travel request allows the individual to provide detailed information on where the traveler is going and why, the travel accommodations needed (e.g., airfare, hotel, etc.) and the costs that will be incurred.
- The Concur application is single sign-on, meaning it is not necessary to enter credentials (user name or password) to access. Concur requests, booking, and expense applications can only be accessed via the Firefly portal.

PROCEDURE

Log into Firefly and click on the Concur Request, Booking, & Expense tile within Business Applications.

To create a new request:

1. From the request tab in Concur, click on new request – or – from the home page, click on +New, then start a request.
2. A blank request appears.

# CREATE AND SUBMIT A TRAVEL REQUEST

*Updated August 7, 2019*

A request contains three main areas to enter travel information: Request Header, Segments, and Expenses.

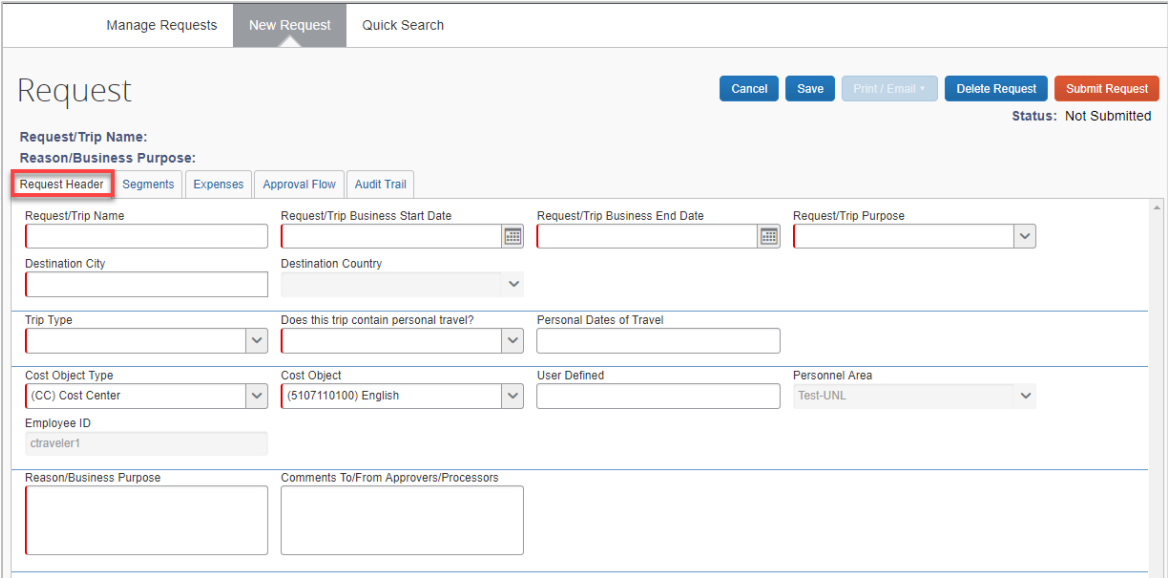

The Approval Flow and Audit Trail tabs are informational only.

## Request Header

A request header provides the general information about the requested trip. The fields with | (red left border) indicate the information is required.

**3. Enter the following required information:**

- *Request/Trip Name* – create a name for the trip. It is recommended to name the trip the destination city and date.
- *Request/Trip Business Start Date* – enter the start date of the trip
- *Request/Trip Business End Date* – enter the end date of the trip
- *Request/Trip Purpose* – enter the specific purpose or description of the trip
- *Destination City* – enter the destination city
- *Destination Country* – this will autofill after the city has been entered
- *Trip Type* – select either Domestic, International, Recruiting or Team/Group

- *Does this trip contain personal travel?* Answer Yes or No. If the traveler intends to add on days to a business trip for personal travel it needs to be indicated.
  - *Cost Object Type* – defaults to Cost Center; can be switched to WBS if desired
  - *Cost Object* – defaults to the Cost Center associated with the traveler; can be changed if desired
  - *Reason/Business Purpose* – provide a business purpose for the travel request
4. **Optional:** Enter the following information:
- *Personal dates of travel* – if the traveler intends to add on days to a business trip, enter the date(s)
  - *User Defined* – leave blank unless inputs are requested by a campus travel trainer
  - *Personnel Area* – informational only
  - *Employee ID* – informational only
  - *Comments To/From Approvers/Processors* – opportunity to provide additional information to approvers and processors
5. When the request header is complete, either click on **Save** or click on **Segments** tab to continue.

Once saved, the request ID auto-generates and appears at the top of the request.
