Canons of Interpretation

The University of Nebraska has prohibited invidious discrimination on the basis of sex since it was founded [Charter of the University of Nebraska, Section 18, in Board of Regents of the University of Nebraska, Minutes, 1,8 (15 February 1869)], and has reaffirmed its commitment to this position from time to time over the years.

To prevent misinterpretation of the use of masculine pronouns in various pronouncements of the Board, sections of the *Bylaws* of the Board, and rules and regulations of the University, the following canons of interpretation are hereby adopted by the Board of Regents for retroactive and prospective application:

1. Words importing the masculine gender may be applied to females.
2. Words importing the plural number may include the singular.

The Corporation Secretary, or anyone designated by that officer, is hereby authorized to take the appropriate steps in modifying all *Bylaws*, policies, rules and regulations to conform with the canons listed above as the contexts may require, and the interests of clarity may dictate.

2.11 **Multi-Departmental Academic Centers for Research, Teaching, and/or Service.**

Multi-disciplinary and intercampus organizational entities have become increasingly important for pursuit of the University's mission. Such multi-departmental organizational entities may organize faculty and programs for numerous purposes such as creation of partnerships with external organizations, enhanced university research and outreach programs, development of new funding patterns, addressing emerging multi-

disciplinary educational needs, and other emerging problems and issues. Organizational entities of this type are encouraged in order to serve important University goals. Such entities are considered “Multi-Departmental Academic Centers for Research, Teaching, and/or Service,” a generic designation which applies not only to “centers” but also to all such entities such as those characterized as “bureaus,” “institutes,” or designations other than colleges or schools.

“Multi-Departmental Academic Centers for Research, Teaching, and/or Service” require approval by the Board of Regents as stated in section 2.11 of the *Bylaws* of the Board of Regents if they meet all of the following criteria:

- a. Interdisciplinary breadth encompassing commitment of funding and faculty time from more than one department.
- b. An identifiable budget.

A proposal for approval should include a detailed description of the multi-departmental center function, justification, relevance to the University’s strategic plans, participating departments and faculty, administration, funding, formal name, and evidence that the multi-departmental center will more effectively achieve stated academic objectives than traditional departmental, school, or college structures.

The President will conduct periodic reviews of all “Multi-Departmental Academic Centers for Research, Teaching, and/or Service,” on a timetable appropriate to the nature of the center but not less frequently than every seven years, and report the results of periodic reviews to the Board of Regents.

One of said agencies of each major administrative unit shall be designated by a majority vote of the students voting as the official representative of the student body. Each administrative unit will develop its own criteria for student representation. The Constitution and *Bylaws* of all student governing agencies at the campus level shall be subject to approval by the cognizant Chancellor in compliance with § 1.2 of these *Bylaws* and shall become a part of the Rules of the Board. The Office may assist any member of the University community in the resolution of academic, administrative, or personal problems that cannot otherwise be resolved equitably within existing mechanisms.

The Ombudsperson may listen to, investigate, and seek to mediate and resolve complaints and grievances made to him or her concerning academic or administrative policies, procedures, practices, or decisions. The Ombudsperson may recommend appropriate changes or solutions to the Chancellor. However, the Ombudsperson shall have no authority to overturn, reverse, or modify such policies, procedures, practices, or decisions.

No person shall suffer any penalty or disability because of seeking assistance from the Ombudsperson. All information presented to that office by persons seeking assistance shall be considered confidential unless a complainant shall authorize release of such information. Any subsequent change in compensation shall likewise be recorded, provided that if such change is shown on the annual detailed budget as adopted by the Board, this shall constitute a sufficient record. Compensation for other professional staff shall be recorded on the personnel recommendation form at the time of appointment and subsequent changes recorded in the detailed annual budget of the University. (a) All-year. Unless otherwise provided at the time of appointment, the salary shall begin July 1 and end on June 30 following, and salary payments shall be made monthly.

(b) Academic-year. All members of the professional staff with responsibilities for instruction shall be members of the academic-year class unless otherwise provided at the time of their appointment. Salary payments to such staff members who render full service for an academic year shall be made in 12 equal monthly payments. The salary year for such persons shall usually begin September 1 and end August 31 following. Full compensation for services of the academic-year group shall not be paid until such services are fully performed, including the filing of complete reports of the standing of students under the staff member's charge during such term or session. Unless otherwise provided by the Board, such staff members shall be available for assignment to duties one week before the first day of classes in the fall term through Commencement Day following the last term of the academic year, or nine months, whichever is the longer period. This period shall constitute the definition of the academic year. Members of the academic-year class serving during the summer sessions, other than those paid by the hour, shall be appointed and paid compensation as the Board may direct. The detailed summer sessions budget approved by the Board shall constitute a sufficient record of appointment to the summer sessions for permanent members of the academic-year staff. This service is distinct from service during the academic year. Staff members appointed for only the regular academic year may receive extra compensation for summer service; but staff members appointed on the all-year or 12-month basis shall not receive extra compensation for services in the summer sessions. Full compensation for summer services shall not be paid until such services have been fully performed, including the filing of complete reports of the standing of students under the instructor's charge during such term or session.

The Office of the President shall properly voucher and certify according to law all salary and wage claims, and shall present them to proper officials for issuance of warrants thereon, and deliver warrants received in pursuance thereof to the proper parties.

3.4 **Conditions of Employment for the Professional Staff.**

3.4.1 **Salary Termination.**

For members of the professional staff on academic year appointments, compensation is divided equally between terms of the academic year. Pro rata compensation shall be based upon the fractional part of the term represented by the calendar days between the date service began and the date of termination, inclusive.

(b) **Upon Death.** The salary of full-time academic-administrative staff member shall terminate at the end of the month in which death occurs, provided, however, that this provision in no way abrogates the right to receive salary earned but not yet paid because of the method of prorating academic-year salaries over a 12-month period.

3.4.2 **Vacations.** Members of the managerial-professional staff designated in accordance with policy adopted by the Board, and all full-time members of the all-year academic-administrative staff shall earn and receive sixteen (16) hours of vacation per month, provided that, once an employee has accumulated two hundred eighty (280) hours of unused vacation, he or she shall not earn or receive additional vacation until his or her accumulated and unused vacation is less than two hundred eighty (280) hours.

For members of the academic-year staff, vacations are fixed by the University calendar for the academic year, normally the period between the end of the first academic term and the first working

day following the New Year's holiday (as defined by the President), and the period of the Fall and Spring Recesses.

Other members of the managerial-professional staff and other academic staff on all-year appointments shall earn and receive eight (8) hours of vacation per month during each of the first two years of employment, twelve (12) hours of vacation per month during the third through the fifth year of employment and sixteen (16) hours of vacation per month during each year thereafter, provided that, once an employee has accumulated two hundred eighty (280) hours of unused vacation, he or she shall not earn or receive additional vacation until his or her accumulated and unused vacation is less than two hundred eighty (280) hours.

In addition, all members of the professional staff are entitled to all legal and University holidays each year or their equivalent.

- (c) To render services sponsored or approved by the University or otherwise recognized as significant, such as assisting in the establishment or operation of new teaching extension, or research programs in the United States and abroad.

Such leaves may be extended for one additional year with approval of the President. All granting of leaves of absence shall be contingent on satisfactory replacement or other arrangements having been made to the end that instruction and research in the department involved will not be disrupted.

4.2 **Academic Freedom.** The University serves the people of Nebraska and the common good through learning, teaching, extension work, research, scholarship, and public service. Fulfillment of these functions requires the preservation of intellectual freedoms of teaching, expression, research, and debate. The right to search for truth, to support a position the searcher believes is the truth, and to disagree with others whose intellect reaches a different conclusion is the fiber of America's greatness. It is, likewise, the strength of a great University, and its preservation is vital.

A teacher or researcher is entitled to freedom in research, and publication of the results of research, limited only by the precepts of scholarship and faithful performance of academic obligations. Members of the professional staff are entitled to freedom in the classroom in discussing their subjects.

Members of the professional staff are entitled to exercise their right to speak and act as citizens of the United States and of the State of Nebraska. Members of the professional staff shall not suffer sanctions or be

discriminated against with respect to the duration of association with the University, pay or other emoluments of their office, appointment, position, or their working conditions because of their enjoyment, or exercise, of their right of academic freedom, or in any case where such action would constitute a violation of federal or state civil rights laws or regulations. Staff members who violate laws prescribed by civil authorities may incur penalties attached to such laws. The University should not impose sanctions to duplicate the function of these laws. Where the University's interest as an academic community is clearly involved, the authority of the University may be asserted. The Board reaffirms belief in, pledges support of, and directs all segments of the University community to sustain and follow the foregoing principles of academic freedom.

Several sections were consolidated and renumbered in the 1984 revised edition.

4.3 **Appointments: Apportionment of Faculty Responsibilities; Stated in Writing.** [a] Every appointment by the University to a position as defined in Section 3.1.1.1 of these *Bylaws* shall be in writing and signed by the Board or its authorized agent. The writing shall contain the following, and may contain additional mutually agreed upon terms:

(1) Identification of the type of appointment, either a “Special Appointment,” an “Appointment for a Specific Term,” “Continuous Appointment,” “Health Professions Faculty Appointment,” or a “Faculty Practice and Faculty Research Appointment” as defined in Sections 4.4.1, 4.4.2, 4.4.3, 4.4.7, and 4.4.8 of these *Bylaws*.

(2) A statement that the rights and responsibilities specified in Sections 4.1 through 4.2 of these *Bylaws* are a part of the appointment.

(3) Identification of the appointee's rank, compensation, fringe benefits, and, where applicable, the termination date of the appointment.

(b) In addition to the written appointment required by this Section, every faculty member appointed to a position as defined in Section 3.1.1.1 of these *Bylaws* shall, when initially appointed, be given a written statement specifically stating and apportioning the faculty member's initial teaching, extension, service, research, and administrative responsibilities.

(1) This written statement shall be provided by the unit administrator or other appropriate official.

(2) The specific apportionment of a faculty member's responsibilities shall be reviewed periodically. Either the faculty member or the responsible unit administrator may initiate discussions of changes in apportionment of teaching, extension, service, research, and administrative responsibilities. In the process of any such discussions, both the faculty member and the unit administrator shall act in good faith to reach a mutual agreement.

(i) If the faculty member and the unit administrator are unable to reach mutual agreement with respect to changes in apportionment of the faculty member's responsibilities, the unresolved issues between them shall be expeditiously reviewed and decided by an elected faculty committee of the faculty member's tenure home college or equivalent administrative unit established pursuant to Section 2.9 of these *Bylaws*. The rules and regulations for each such committee may provide for a representative of the faculty member's tenure home department or equivalent administrative unit to serve as member of the committee.

(ii) Each college shall develop rules and regulations pertaining to the membership of this committee. These rules may allow an elected faculty representative of any department(s) or

equivalent administrative units in which the faculty member holds a full or partial appointment to serve on the committee, as either full or nonvoting members.

(iii) The committee shall consider the positions of each party in relation to the departmental and college missions, as well as the faculty member's overall areas of professional competence and expertise. The committee shall decide whether the apportionment of the faculty member's responsibilities shall be changed and, if so, in what manner. The decision of the committee shall be reasonably within the faculty member's overall areas of professional competence and expertise; it shall be in writing and it shall not violate the rights and responsibilities of the faculty member provided in Sections 4.1 and 4.2 of these *Bylaws*. It shall be final, subject only to review by the committees established by Sections 4.13, 4.14 and 4.15 of these *Bylaws*.

(c) Within the terms of a faculty member's general apportionment of responsibilities, the details of a faculty member's specific assigned duties shall, after consultation with the faculty member, be determined by the department chair or head, unit administrator, or director concerned, consistent with the requirements of Section 3.4.4 of these *Bylaws*. Duties may vary from semester to semester, but must be reasonably within the faculty member's overall areas of professional competence and expertise, and shall not violate the rights and responsibilities of the faculty member provided in Sections 4.1 and 4.2 of these *Bylaws*. These decisions are subject to review by the committees established by Sections 4.13, 4.14, and 4.15 of these *Bylaws*.

(d) Definitions.

(1) The word "apportionment" as used in this Section 4.3 means and refers to the specified division among teaching, research, service, extension, and administrative responsibilities making up a faculty member's University appointment. It is generally expected that a faculty member's apportionment of responsibilities shall be relatively stable from year to year, unless there is reasonable justification for change.

(2) The term "assigned duties" as used in this Section 4.3 means and refers to the specific professional activities a faculty member is responsible for carrying out in a given year within each apportioned area of his or her University appointment.

Such appointments may also be terminated by the University for adequate cause, disability, bona fide discontinuance of a program or department, or extraordinary circumstances because of financial exigencies.

A member of the faculty may hold a "Special Appointment" coincident with an "Appointment for a Specific Term," "Health Professions Faculty Appointment" or a "Continuous Appointment," and the terms of the Special Appointment may be independent of the terms of the other appointment status as a faculty member.

The standards may be applicable to the entire major administrative unit or to appropriate subdivisions (such as colleges, schools, and departments) of a major administrative unit. The Chancellor of each major administrative unit is empowered to approve the content of the written standards and the scope of their applicability; provided, however, such written

standards shall not include any right of appeal to the Board of Regents, and to the extent that any such existing standards do include any provision for appeal to the Board of Regents, each such provision is hereby repealed. After such approval, the written standards shall be published and disseminated to the faculties and staff and a copy shall be provided each appointee when appointed. Individual faculty members shall have the opportunity to submit materials deemed relevant to their remuneration and status as a part of the annual review, or as such information becomes available. When appropriate, the judgment of others in each faculty member's specialized field of competence may be included in a review. Faculty members shall have access to all material submitted for their evaluation and the opportunity to respond in writing.

The annual review shall be considered in determining merit salary adjustments, promotions, and for awarding Continuous Appointment. The results of the review will be communicated to the individual faculty member.

- 4.7 **Termination of an Appointment by a Professional Staff Member: Time.**

(1) A member of the professional staff (Section 3.1.1) employed on an academic-year basis may terminate his or her appointment at the end of an academic year, if he or she gives notice at the earliest opportunity and not later than the latest of the following:

- (a) May 15, or
- (b) Thirty days after receiving notification of the terms and conditions of appointment for the coming academic year.

(2) A member of the professional staff employed on other than an academic-year basis shall give notice at the earliest opportunity and in no case later than the latest of the following:

- (a) Four months before the termination date of the appointment, or
- (b) Thirty days after receiving notification of the terms and conditions of appointment for another term.

A member of the professional staff may properly request a waiver of the time requirements contained in this Section in case of hardship, or where he or she would otherwise be denied substantial professional advancement or other opportunity, but the member should abide by the decision on his or her request.

For faculty members with three or more years of previous tenure-related full-time service with the rank of instructor or higher at accredited institutions of higher education, a written agreement to an initial appointment for an Appointment for a Specific Term will not normally extend the period of service on an Appointment for a Specific Term at the University beyond four years before a Continuous Appointment is acquired, and in no case shall such agreement extend the period of service on an Appointment for a Specific Term at the University beyond seven years before a Continuous Appointment is acquired. The President may provide an adjustment of a faculty member’s appointment where full-time service by the faculty member is interrupted by leave of absence due to maternity, disability or family and medical leave. Unless a contrary agreement is reached at the time the leave of absence is granted, time spent on an academic leave of absence shall be included in the period of service. A Continuous Appointment may be granted earlier, but not later, than the time limits specified in this Section. - 4.11 **Termination of a Continuous Appointment: Grounds.** A Continuous Appointment may be terminated only for adequate cause, retirement for age or disability, bona fide discontinuance of a program or department, or extraordinary circumstances because of financial exigency. Before any termination for cause may occur, it shall be necessary to submit the matter to the Academic Freedom and Tenure Committee in the manner provided in Section 4.14.2.
- 4.12 **Termination of Appointments for Financial Exigency or Because of Discontinuance of a Program or Department: Time.** When any type of appointment is terminated because of financial exigency or discontinuance of a program or department, whether the termination is effective on or before the date stated for termination in the written appointment contract, the University shall give notice of termination as soon as possible, and shall make reasonable efforts to notify persons twelve (12) months prior to the effective date of termination. In such a case the released faculty member's place will not be filled by a replacement within a period of two years unless the released faculty member has been offered reappointment and a reasonable time within which to accept or decline it.
- 4.13 **Grievance Committee.**
- 4.13.1 **Grievance Committee: Power to Create.** Pursuant to authority granted by these *Bylaws*, the faculty governing agency of each major administrative unit is empowered to create a Faculty Grievance Committee, which shall have the powers specified in Section 4.13.2, in addition to any other powers granted by the faculty governing agency pursuant to these *Bylaws*.
- 4.13.2 **Powers of Faculty Grievance Committee.** Any Faculty Grievance Committee established under Section 4.13.1 shall be empowered:
- (a) To consider a complaint filed by any faculty member alleging any grievance;
 - (b) To seek to settle the grievance by informal methods of adjustment and settlement, either itself or by using the services of any officer or body directed to settle grievances and disputes by mediation, conciliation, or other informal methods;

 - (d) To proceed, if informal methods fail to resolve the matter satisfactorily, with further proceedings, to be conducted in accordance with the Rules of Procedure approved by the Board under this Section, and in accordance with the following principles:
 - (1) If the grievance alleges that inadequate consideration was given to relevant matters by the person or body that took the action or made the decision that led to the grievance, the Grievance Committee shall investigate the facts, and, if convinced that inadequate consideration of the relevant matters occurred, state the facts found and the respects in which the consideration was inadequate. The Committee may order the matter reconsidered by the appropriate person, group or groups, or recommend that other rectifying action be taken. The Grievance Committee shall not substitute

its judgment on the merits for that of the person, group, or groups that previously considered the decision.

(2) If the grievance alleges that a discontinuance of a department or program is not bona fide, or that no extraordinary circumstances because of financial exigency exist, the Committee shall investigate and state its factual findings, conclusions, and recommendations in writing, which shall be filed with the Chancellor of the major administrative unit involved, the complainant, and the faculty governing agency.

4.14 **Academic Freedom and Tenure Committee.**

4.14.1 **Academic Freedom and Tenure Committee: Creation.** The faculty governing agency of each major administrative unit shall create an elected faculty Committee on Academic Freedom and Tenure, which shall have the powers specified in these *Bylaws*, and any other powers granted by the faculty governing agency and approved by the Board.

4.14.2 **Academic Freedom and Tenure Committee: Powers; Rules of Procedure.** The Committee established by Section 4.14.1 shall have the following powers and rules of procedure:

(a) The Committee shall consider any complaint filed by any member of the professional staff alleging any procedural or substantive grievance that constitutes an allegation that action taken, or threatened, violates the complainant's academic freedom or academic tenure.

(b) The Committee shall consider a complaint filed against any member of the faculty seeking to terminate his or her Continuous Appointment, his or her Appointment for a Specific Term prior to the termination date stated in the appointment, or his or her Special Appointment as a faculty member prior to its termination date, or his or her Health Professions Faculty Appointment, or his or her Faculty Practice and Faculty Research Appointment prior to the end of its stated term.

(1) The Board, or the President, shall have the authority to direct that proceedings under this subsection be instituted in the manner herein provided.

(2) Any Chancellor, Dean, director, or department chair, any Grievance Committee, or Professional Conduct Committee believing that there is reasonable cause to terminate a Continuous Appointment, an Appointment for a Specific Term, Health Professions Faculty Appointment, or a Faculty Practice and Faculty Research Appointment prior to the end of its stated term, shall certify his, her or its conclusion to that effect to the President, who shall determine if the complaint has sufficient merit to warrant investigation.

(i) In cases where the grounds for termination of a Continuous Appointment or an Appointment for a Specific Term are based in whole or in part on questions of professional competence, no such certification shall be made until the tenured members of the faculty member's school, division or department, or college in the absence of smaller units, have been consulted on the issues involving professional competence. Such consultation shall be effected through the appropriate administrator (department chair, school or division director, or dean) calling on fourteen (14) days' notice a meeting of the tenured faculty of the unit for the specific purpose of discussing the faculty member's professional competence. Votes on substantive matters relating to the faculty member's professional competence shall be by secret ballot. The report of such meeting, in the form of approved minutes containing a summary of the matters discussed and the votes taken,

shall be forwarded by the administrator to the Chancellor for transmission to the President.

(ii) In cases where the grounds for termination of a UNMC Health Professions Faculty Appointment, or a UNL Faculty Practice and Faculty Research Appointment are based in whole or in part on questions of professional competence, no such certification shall be made until the faculty holding such a UNMC or UNL appointment who have received at least one promotion in academic rank while holding such an appointment and the tenured members of the faculty member's school, division or department, or college in the absence of small units, have been consulted on the issues involving professional competence. Such consultation shall be effected through the appropriate administrator (department chair, school or division director, or dean) calling on fourteen (14) days' notice a meeting of the eligible consulting faculty of the unit for the specific purpose of discussing the faculty member's professional competence. Votes on substantive matters relating to the faculty member's professional competence shall be by secret ballot. The report of such meeting, in the form of approved minutes containing a summary of the matters discussed and the votes taken, shall be forwarded by the administrator to the Chancellor for transmission to the President.

(3) If the Board or President has determined that an investigation should be made, the President shall employ an attorney to make the investigation and report to the President if he or she believes reasonable cause exists for termination of the appointment. Investigation shall be made in such manner as the attorney so employed determines to be appropriate, but shall not involve a public hearing and shall be conducted on as confidential a basis as possible. The investigator shall prepare a report of the investigation and provide it to the President. The President shall provide a copy of said report to the Chancellor of the administrative unit involved. The report shall be considered a confidential communication. If the report recommends that no basis exists for terminating the appointment, and the Board accepts said report, no further proceedings shall be had with reference to terminating the appointment. If the Board does not accept said report, it may cause such further investigation to be made by such persons and in such manner as it deems appropriate and consistent with these *Bylaws*. If the report recommends that there is reasonable cause to terminate the appointment, the President or the Board may order the attorney making the report to file a complaint with the Academic Freedom and Tenure Committee, and to take the affirmative with respect to producing evidence to support the complaint.

(c) The procedure with reference to complaints filed under paragraphs (a), (b), or (b) (1), Section 4.14.2 shall be conducted in accordance with the following principles:

(1) The complaint must be filed with the Committee and copy thereof served upon the person or persons charged in the complaint.

(2) The complaint shall state in concise terms the facts upon which it is based and the relief sought.

(3) The person(s) so charged shall have a period of twenty (20) days from the date of service of the complaint to file an answer in writing to the complaint. Copy of the answer must be served by such person(s) upon the attorney filing the complaint by regular United States mail with sufficient postage attached, properly addressed to said attorney, and mailed on or before twenty (20) days after filing the complaint.

(4) The Committee shall set the matter for hearing on as early a date as possible in order to permit the parties to reasonably prepare for the hearing.

(5) The person(s) charged shall be entitled to be represented by counsel at the expense of such person(s).

(6) The person(s) charged shall be entitled to be notified at least ten (10) days in advance of the hearing of the witnesses to be called by the attorney filing the complaint and of documents to be offered in evidence at the hearing, and the attorney conducting the hearing shall be obligated to provide such information within that time. The person(s) charged shall notify the attorney filing the complaint in writing at least five (5) days before the hearing of the witnesses to be called and documents to be offered in evidence at the hearing. No witnesses or documents not so listed shall be heard or received at the hearing, except in cases of surprise, or for the purpose of rebutting oral testimony of the other party, or for other justifiable cause found to exist by the Committee.

(7) Testimony shall be taken under oath. Every party shall have the right of cross-examination of witnesses who testify and shall have the right to submit rebuttal evidence.

(8) The Committee may admit and give probative effect to evidence which possesses probative value commonly accepted by reasonably prudent persons in the conduct of their affairs. It may exclude incompetent, irrelevant, immaterial, and unduly repetitious evidence; provided, that any party may file with the Committee at least three (3) days before the hearing a written request that the rules of evidence followed by the District Courts in the State of Nebraska shall be applicable. If such a written request is filed, the Committee shall notify the parties that the proceedings shall comply with the principles of law with respect to proceedings in the District Courts in Nebraska, and all counsel and parties shall be bound by such rules and standards of ethics and codes of trial conduct as are applied in the District Courts.

(9) In the event any party to the proceedings desires the issuance of a subpoena, such subpoena shall be issued at the direction of the Corporation Secretary, and may be served in the manner provided for subpoenas in the Nebraska Court Rules of Discovery.

(d) The Committee shall draft rules or procedures not inconsistent with these *Bylaws* for the prompt, orderly and fair hearing of all complaints filed with the Committee. Said rules shall be submitted to the Board, and when approved or modified, after notice and hearing, shall constitute a part of the Rules of the Board.

(e) The Committee shall submit to the Board the complete verbatim account of the hearing and all exhibits filed with the Committee, and report promptly to the Board and the staff member involved the Committee's findings, conclusions, and recommended action that the Committee deems advisable.

(f) The Board has power to make the final decision, but except as herein provided, the Board shall decide upon the basis of the evidence submitted to the Committee and the report of the Committee. Unless clearly erroneous, the findings of fact made by the Committee shall be accepted. The Board shall give the Committee's findings and conclusions due consideration, and shall take into account the fact that the Committee is a representative committee of the faculty and had the opportunity to see and hear the witnesses who testified personally before the Committee. In the event that the Board's decision is at variance with the recommendations of the Committee, the Board shall detail the reasons in a written opinion, and copies shall be provided to the parties concerned and the Committee. Once

the Board has rendered its decision, the matter shall not be subject to further review except by appropriate court proceedings.

(g) The Board on its own motion may receive additional evidence at a public hearing, after notice to interested parties, in any case where the Board in its discretion determines that justice requires such further hearing before the Board. Any person desiring to present additional evidence to the Board may apply to the Board for hearing before the Board. Before any such hearing is granted, showing shall be required that there is additional relevant evidence that has been discovered, or has developed, or which could not be produced at the prior hearing; that the same was not available at the prior hearing and could not have been discovered or produced by reasonable diligence.

(h) In all proceedings before the Committee in which the termination of a Continuous Appointment, the termination of an Appointment for a Specific Term prior to its stated termination date, the termination of a Special Appointment as a faculty member prior to its termination date, or the termination of a Health Professions Faculty Appointment or a Faculty Practice and Faculty Research Appointment prior to its stated termination date are in issue, the University shall have the burden of proving adequate cause for the termination by the greater weight of the evidence.

(i) Prior to a decision by the Board, the staff member involved shall not be suspended from his or her duties or assigned other duties unless immediate harm to himself or herself, others or property is threatened by his or her continuance. Salary will continue during any period of suspension and an assignment to other duties shall not diminish a staff member's salary.

(j) The Committee shall have power to consider a request filed by any person, board or committee that alleges that a staff member should be subjected to sanctions less severe than appointment termination, and power to recommend in any case sanctions less severe than appointment termination where less severe sanctions seem appropriate.

4.15 **Professional Conduct Committee.**

4.15.1 **Professional Conduct Committee: Power to Create.** Pursuant to power granted by these *Bylaws*, the faculty governing agency of each major administrative unit is empowered to create a Professional Conduct Committee, which shall have the functions and powers specified in Sections 4.15.2 and 4.15.3, in addition to any other power granted by the faculty governing agency to the Committee pursuant to these *Bylaws*.

4.15.2 **Powers of Professional Conduct Committee.** A Professional Conduct Committee shall be empowered:

(a) To receive complaints from any person charging a member of the professional staff, as defined in Section 3.1.1 of these *Bylaws*, with professional misconduct.

(b) To investigate the facts relevant to the charge and to make factual determinations. Said investigation shall include advising the affected party of the charge, hearing his or her response, and considering any evidence produced by such party.

(c) conclude whether there are reasonable grounds to believe that the person against whom the charge is directed committed acts that amount to professional misconduct.

(d) To advise the person filing the charge, and any other appropriate person or groups, of the Committee's conclusion and factual findings.

(e) To recommend to the appropriate University officer, or group, whether action should be taken with respect to the charge, and the nature of such action.

(f) To recommend sanctions less severe than appointment termination where the Committee judges less severe sanctions appropriate.

4.15.3 **Function of Professional Conduct Committee.** The Professional Conduct Committee's function shall be to ascertain facts, to interpret standards of professional conduct applicable to persons engaged in teaching, extension work, research, service, and administration at the University, to apply those standards to the facts, to advise other persons or groups whether a violation of professional conduct has occurred, and to recommend an appropriate sanction, if it concludes a violation has occurred. The Professional Conduct Committee does not have power to impose sanctions, and its findings of fact, interpretations of professional standards, advice, and recommendation are not binding. The Professional Conduct Committee shall not serve as a prosecutor of cases involving alleged violations of professional standards. The Committee acts only in an advisory capacity.

4.16 **"Extraordinary Circumstances Because of Financial Exigencies" and "Financial Exigency" Defined.** As used in Chapter IV of these *Bylaws* the term "extraordinary circumstances because of financial exigencies" or the term "financial exigency" shall mean a bona fide, imminent financial crisis of such magnitude, caused by financial circumstances beyond the control of the Board of Regents, that within a particular major administrative unit (campus) as a whole normal operations cannot be maintained and programs of the major administrative unit must therefore be significantly altered.

History: Added, 53 BRUN 80 (12 Dec. 1987)

4.17 **Declaration of a Financial Exigency.** A state of financial exigency may only be found and declared by the Board of Regents upon the recommendation of the President in accordance with policy established by the Board for declaration of a state of financial exigency.

History: Added, 53 BRUN 80 (12 Dec. 1987)

Chapter V. Responsibilities and Rights of Students

- 5.0 **Statement of Responsibility.** Students, like all members of the academic community, have the responsibility to create and support an educational environment. Each member of the community should be treated with respect and dignity. Each has the right to learn. This right imposes a duty not to infringe upon the rights of others. The academic community should assure its members those opportunities, protections, and privileges that provide the best climate for learning.
- 5.1 **Publicity of Rules Affecting Students.** Each major administrative unit shall publicize and keep current all rules, regulations, and policies concerning students, and insure that they are readily available to all students and other interested persons.
- 5.2 **Admissions Criteria.** The University shall publish the criteria for admission, academic progress, certificates, and degrees for all colleges and schools of the University. Admission to the University and the privileges of the University students shall not be denied to any person because of age, sex, race, color, national origin, or religious or political beliefs.
- 5.3 **Academic Evaluation.** Students shall be informed of the requirements, standards, objectives, and evaluation procedures at the beginning of each individual course. Each student shall be given a performance evaluation during the progress of the course if requested. Each College or school shall provide for a faculty-student appeals committee for students who believe that evaluation of their academic progress has been prejudiced or capricious. Such procedure shall provide for changing a student's evaluation upon the committee's finding that an academic evaluation by a member of a faculty has been improper. Each college or school shall provide a mechanism by which students have an opportunity to report their perceptions of courses and the methods by which they are being taught, provided, however, that such mechanism shall protect members of the faculty from capricious and uninformed judgments.
- 5.4 **Student Disciplinary Procedures.** Notwithstanding the provisions of Section 1.2 relating to the adoption of rules and regulations by officers, groups or agencies of the University, the process described in this section shall govern the adoption of rules in relation to student discipline. Each major administrative unit shall adopt, subject to the approval of the Board, rules relating to student discipline and activities. Said rules shall be subject to approval or modification by the Board. Public hearing shall be held by the Board with reference to such rules and regulations, and when approved or modified by the Board after such hearing, shall be effective as part of the Rules of the Board. Each major administrative unit shall formulate such rules in consultation with appropriate student representatives. Rules relating to student discipline shall be enforced through clearly defined channels, and shall provide students with the following minimum procedural guarantees prior to any disciplinary action:
- (a) The right to be informed, in writing, of the specific charges against the student in sufficient time to insure the opportunity to prepare a defense.
 - (b) The right to be informed of the evidence against the student.
 - (c) An opportunity to present evidence in his or her own behalf.
 - (d) The right to maintain status as a student and to attend classes while the case is pending, unless continued presence constitutes an immediate harm to the student or others.
 - (e) The right to be given a hearing before a regularly constituted board in all cases involving expulsion or suspension.

(f) The hearing board must include student membership, and must grant the student:

(1) The right to appear with an advisor of the students' choice.

(2) The right to hear all evidence against the student, and to hear and question witnesses.

(3) An opportunity to testify and to present evidence.

(4) The right to appeal through appropriate channels as determined by the rules adopted by the major administrative unit. The decision of the hearing board shall be final subject only to appeal. The burden of proof shall rest upon the person bringing the charge. The decision of the hearing board must be based solely upon evidence introduced at the hearing. Evidence that would not be admissible in a State Court criminal proceeding by reason of the method or manner in which it was acquired shall not be admitted. A verbatim record of the hearing must be maintained.

History: Amended by the Corporation Secretary pursuant to the authority of Sec. 1.12 (b) of these *Bylaws* (27 April 2012)

5.5 **Law Violations.** Students who violate the law may incur penalties prescribed by civil authorities, but institutional authority should never be used merely to duplicate the function of general laws. Only where the institution's interests are distinctly and clearly involved should the special authority of the institution be asserted.

5.6 **Public Information Regarding Students.** Public information regarding students, rules with respect to confidentiality, and any release of information will be governed in accordance with Federal and State law. The Board is authorized to develop policies and procedures consistent with that law.

5.7 **Disciplinary Records.** Subject to any requirements of the Records Management Act, each major administrative unit shall provide for the periodic destruction of non-current disciplinary records.

5.8 **Entry in University Housing.** University officials or administrators will not make or authorize unlawful or unreasonable entry and search of University-owned housing rented by students.

5.9 **Student Communications Media.** Student publications and broadcasting stations shall be supervised in a manner such that editorial freedom will be maintained and that the corollary responsibilities will be governed by the canons of ethical journalism. Student publications financed in whole or in part by fees collected from all students at a major administrative unit shall be supervised by a publications committee for each major administrative unit. This committee shall have the full responsibility of a publisher and the power of decision on the proper application of the canons of ethics. Students shall comprise a majority of the membership, but

the committee shall also include members of the faculty and professional journalists from outside the University.

- 5.10 **Participation in Student Organizations.** Each major administrative unit shall permit students to organize and join associations to promote their common interests, and shall establish procedures for the official recognition of these organizations for use of campus facilities. Each such recognized student organization shall be required to comply with all applicable federal and state statutes and University regulations.

5.10.1 **Regulation of Fraternities, Sororities, and Living Units.** Each major administrative unit shall establish its own regulations for recognition and for governing fraternities, sororities, cooperative houses, and other formally recognized group-living units in accordance with Section 1.2 of these *Bylaws*.

History: Amended by the Corporation Secretary pursuant to the authority of Sec. 1.12 (b) of these *Bylaws* (27 April 2012)

- 5.11 **Campus Speakers.** Students shall be allowed to invite and hear any person of their own choosing. Those procedures required by the institution should insure orderly scheduling of facilities and adequate preparation for the event. However, the institutional control of campus facilities should not be used as a device of censorship.

- 5.12 **Demonstrations.** Students are free to express their beliefs and concerns in a variety of ways. In all cases, however, students are expected to function in an orderly manner within the framework of existing rules and laws. Such activity shall be conducted so as not to interfere with the rights of others or the normal activities of the University. Each major administrative unit shall provide reasonable rules and regulations relating to demonstrations.

In cases of the disruption of normal University activities, the Chancellor or his or her designee may impose temporary sanctions including suspensions.

Chapter VI. Business and Financial Management within the University of Nebraska

- 6.1 **Obligations.** Unless otherwise herein provided, no debt or obligation whatever shall be incurred in the name of the Board or the University, except in accordance with general or special apportionments authorized by the Board and entered in the record of its proceedings; or by the authority of a committee acting under instructions; or by the direction of the President when the Board is not in session. There shall be no sale of property to the University by any of its officers, faculty, or employees without specific approval. No purchase of supplies, equipment, or other personal property shall be made by or in the name of the University except upon an order signed by the duly authorized agents of the Board; nor shall any sales or exchanges of supplies and equipment or other personal property be made except through them, unless other provision therefore has been made by the Board.
- 6.2 **Claims.** All bills payable by the University must be presented in writing at the Office of the Vice President for Business and Finance, or an office designated by him or her. When a bill has been vouchered and approved, provided there are monies available for the purpose, there shall be executed and issued an official certificate thereon to the State, as provided by law.

- 6.3 **Personal Property.** The principal business officer of each individual major administrative unit shall be the custodian of personal property on that unit of the University. Such property belongs to the University as a whole and not to any department or division to which it has been allotted. University staff members shall be held accountable for any damage resulting from their negligence to property allotted to them, and shall not lend such property or permit the same to pass out of the control of a University employee, except upon a permit signed by the principal business officer or his or her designee.
- 6.4 **Contracts.** Contracts involving any University function shall be entered into in the name of the Board of Regents of the University of Nebraska. Except as hereafter provided, all contracts shall be approved by the Board in public session and executed by any two of the following officers: the Chair of the Board, the President, the Executive Vice President and Provost, the Corporation Secretary, the Vice President for Business and Finance, the Associate Vice President for Business and Finance, any Chancellor, the Vice Chancellor for the Institute of Agriculture and Natural Resources, any Vice Chancellor for Academic Affairs, or any Vice Chancellor for Business and Finance. The Board may authorize the President, or administrative officers and professional staff employees designated by the President, to approve and execute certain contracts without Board approval. The exact types of contracts that the President or his or her designees may approve and execute shall be determined by written policy of the Board.

- 6.5 **Rules for Use of Property.** The Board is authorized to prescribe rules governing the use of all University property by faculty, staff, employees, students, and the general public.
- 6.6 **Budgets.** On direction of the President, in accordance with guidelines established by the Board, the annual request budget for the entire University shall be prepared. The request budget shall be approved by the Board

before submission to the Governor's office and the Legislature by the President of the University. The President shall submit the operating and capital construction budgets for all University activities, in accordance with legislative appropriations, for approval by the Board.

- 6.7 **Management of Records.** Notwithstanding anything herein to the contrary, management of records of the University is subject to the provisions of 84-1201 to 84-1220 Nebraska Revised Statutes (Records Management Act) and shall comply in all respects to the requirements of said Act.
- 6.8 **Legal Defense, Indemnification of Members of the Board, University Officers, Employees and Students in Training; Insurance and Risk Management.** (a) If a civil action is brought against any member of the Board, or any University officer, employee, or student in training, such individual may file a written request with the General Counsel for the University asserting that such civil action is based in fact upon an alleged act or omission occurring in the course and scope of his or her duties, employment or training. General Counsel for the University shall thereupon arrange for the legal defense of the requesting individual, unless after investigation it is found that the claim or demand does not arise out of an alleged act or omission occurring in the course and scope of duties, employment or training of the requesting individual, or that the act or omission complained of amounted to malfeasance in office or willful and wanton neglect of duty, in which case General Counsel for the University shall give the requesting individual written notice that the defense of the claim has been rejected by the University.
- (b) Any member of the Board or any University officer, employee or student in training against whom a civil action is brought, whose request for legal defense is accepted by General Counsel for the University pursuant to subsection (a) of this Section, shall cooperate fully with the General Counsel for the University in the defense of such action. If General Counsel for the University determines that such Board member, University officer, employee or student in training has not cooperated, or has otherwise acted to materially prejudice the defense of that individual's case, the University may at any time withdraw from the defense.
- (c) If General Counsel for the University rejects the defense of a claim pursuant to subsection (a) of this Section, or withdraws from the defense pursuant to subsection (b) of this Section, no funds of the University shall be paid in furtherance of the defense of the individual.
- (d) Action by General Counsel for the University pursuant to subsections (a) through (c) of this Section shall not prejudice the right of members of the Board, or any University officer, employee, or student in training to assert and establish as a defense that the claim arose out of an alleged act or omission occurring in the course and scope of duty, employment, or training, or that the act or omission complained of did not amount to malfeasance in office or willful or wanton neglect of duty. If the member of the Board, or University officer, employee, or student in training is successful in asserting such defense, he or she shall be reimbursed by the University for the reasonable costs and attorney's fees for defending the claim in addition to the indemnification provided by subsection (e) of this Section, if a judgment is rendered against such individual.
- (e) The University shall indemnify members of the Board, or any University officer, employee, or student in training, including its past Board members, officers, employees, or students in training, against any judgment for money damages and costs as a result of an act or omission occurring in the course and scope of University duties, employment or training after January 1, 1981. The foregoing right to indemnification shall not exceed the amount subject to collection by a party directly against the officer, employee, student in training or Board member. The provisions of this subsection shall not be interpreted as an expansion of the personal liability of any University officer, employee, student in training, or employee of the University or member of the Board.
- (f) General Counsel for the University, together with the Vice President for Business and Finance, and such other individuals whose involvement is necessary and proper, may formulate policies and procedures to

implement this Section, and coordinate the processing of claims under this Section with University insurance and risk management policies and programs.

(g) Coverage Definitions. This subsection defines words and phrases regarding persons who are within the potential coverage of this Section. Where appropriate, reference has been made to other definitional Sections of these *Bylaws*.
