October 2010

NEtwork BLUE Dentists

HEALTHCARE PROVIDERS ARE LISTED BY THE CATEGORY(IES) THEY HAVE DESIGNATED AS THE SPECIALTY AREA(S) OF THEIR CURRENT PRACTICE. THE APPEARANCE ON THIS LISTING OF A PROVIDER'S NAME OR TYPE OF SPECIALTY OR SERVICE DOES NOT IMPLY OR GUARANTEE THAT YOUR CONTRACT PROVIDES BENEFITS FOR THEIR SERVICES. COVERED SERVICES ARE DETERMINED BY THE TERMS OF YOUR CONTRACT.

IMPORTANT INFORMATION ABOUT NETWORK BLUE DENTISTS

This directory is subject to change without notice. Providers are periodically added or deleted. Prior to receiving services, ask your health care provider if she or he is a NETWORK BLUE provider, or you may call the Customer Service number listed on your I.D. card.

In addition, if your NETWORK BLUE dentist refers you to a specialist, ask the specialist if he or she is a NETWORK BLUE provider, or call the Customer Service number listed on your I.D. card.

With NETWORK BLUE, it is obviously to your advantage to use our network of preferred dentists, but it still remains your choice.

If you use preferred dentists, you are eligible to receive the highest benefit level possible under your NETWORK BLUE plan for covered services. If you use non-NETWORK BLUE dentists you are still eligible, in most cases, to receive benefits for covered services, but the benefit level at which we pay for these services will be less than if you had gone to a preferred provider.
