## Benefits Enrollment

### How to Enroll

When you enroll for benefits online, the website will guide you through the enrollment process. Before you begin online enrollment, we encourage you to watch the video tutorial available on the Firefly website.

**Important:** Please note that benefit changes must be completed by 5 p.m. CST on Friday, Nov. 17, 2017. You will not be able to add or change your benefits after this deadline. If you do not take the Wellstream Health Risk Assessment you will not receive the Enhanced Wellness Benefits.

### Confirm Your Benefits

A benefits confirmation statement will be emailed to you the day after you complete online enrollment. Please review the statement carefully to make sure all of your elections are correct. You can go back in to Firefly and make changes as many times as you would like during the enrollment period. You cannot make corrections after 5 p.m. on Friday, Nov. 17. Your confirmation statement will also be available on the Firefly Employee Self Service website under the benefits section. Please note that you will not receive a paper confirmation statement in the mail.

#### Remember to Update your Records

During enrollment, please remember to update your emergency contact information and your current and permanent addresses in Firefly. It is important that your contact information is up-to-date in case of an emergency.

Please also check to make sure that you have a Social Security number recorded in Firefly for each of your dependents. You must have a Social Security number on file for your spouse and each dependent child enrolled in the university's medical plan. If a Social Security number is missing, please contact your Campus Benefits Office to update your records.

## Your **Only** Opportunity to Make a Change

Please remember that the NUFlex Benefits enrollment period is your only opportunity to enroll, change or cancel your benefit elections during the year. The choices you make during NUFlex Benefits enrollment will remain in place from January 1, 2018 through December 31, 2018. You cannot make changes to your benefits during the year unless you experience a permitted election change event. The following events would allow you to make changes to your benefits during the plan year within 31 days unless otherwise noted:

- Marriage
- Divorce
- Employment status
- Birth or adoption (for this event only, the plan now allows 60 days to make your change)
- Significant change to spouse's employer's benefits plan (subject to approval)

If you experience one of these events, you have 31 days to enroll or make changes to your coverage. Please remember that the benefit changes you make must be related to the event (e.g. changing from employee only to employee and spouse coverage after marriage).

### Expecting a baby in 2018?

**Remember to add your baby to your benefits coverage within 60 days of birth or adoption, or you won't be able to enroll your child until 2019 NUFlex Benefits enrollment. The birth or adoption of a child is the only event where you are allowed 60 days to make the change. Submit the Dependent Information Request Form and the Benefits Change Form, if applicable, to your Campus Benefits Office within 60 days. Forms are available online at [www.nebraska.edu/benefits](http://www.nebraska.edu/benefits).**

# BENEFITS ENROLLMENT

## Employee Plus One Benefits

The university provides Employee Plus One benefits to eligible employees. This is an opportunity to enroll an adult designee and dependent children of the adult designee in the benefits program during 2018 NUFlex Benefits enrollment. If you would like to enroll for coverage, please contact your Campus Benefits Office.

### Is my adult designee eligible for coverage?

University benefits eligibility will be extended to an adult designee of the same or opposite gender who:

- Has resided in the same residence as the employee for at least the past consecutive 12 months and intends to remain so indefinitely;
- Is not related to the employee;
- Is at least 19 years old;
- Is directly dependent upon, or interdependent with, the employee, sharing a common financial obligation that can be documented in a manner prescribed by the university; and
- Is not currently married to or legally separated from another individual under either statutory or common law.

Please see the Employee Plus One module on the benefits webpage for exceptions to the above.

### Are there tax implications?

**Yes.** Please note that if your adult designee or your adult designee's children participate in the university's benefits plan, you may be taxed on the value of that benefit because of federal tax law. One exception to this rule is if the adult designee meets the IRS dependency guidelines. **Before you enroll an adult designee, we strongly encourage you to get advice from a tax professional to find out if your adult designee and his or her children are your tax dependents.**

### How do I enroll my adult designee in coverage?

You must enroll for Employee Plus One coverage through your Campus Benefits Office. You will not be able to enroll online through the Firefly website.

Before enrolling for coverage, read all of the program requirements online at [www.nebraska.edu/benefits](http://www.nebraska.edu/benefits), confirm that your adult designee is eligible for coverage, speak to a tax professional and contact your Campus Benefits Office.

**To enroll for coverage** complete the following forms and submit them with all required documentation to your Campus Benefits Office before 5 p.m. on Friday, Nov. 17:

- Affidavit of Employee Plus One Relationship
- Certification Concerning Tax-Qualified Dependents for Employee Plus One Coverage
- Employee Plus One Benefits Change Form
- Dependent Information Request Form

**Forms are available online at**

# Wellstream Health Risk Assessment

The University of Nebraska is committed to helping you take control of your health. To help you manage your health and health care costs, we are giving you the opportunity to complete the Wellstream Health Risk Assessment (HRA) again this year. This assessment will help you evaluate and monitor your health and you will receive the enhanced wellness and preventive services benefit for completing it. You can complete the HRA during the NUFlex Benefits enrollment period from Monday, Oct. 30 through Friday, Nov. 17 at 5 p.m.

You can access the HRA directly through the Firefly website. Click on the “Health Risk Assessment” link at the beginning or end of enrollment on Firefly. The link will take you directly to the survey and will automatically log you in. After you complete the HRA, you will receive a Personal Health Report.

**REMINDER:** You will receive a confirmation email following your successful completion of the HRA survey. The confirmation will be sent to the email address you provide when completing the survey. We still recommend that you print or save the HRA report, but the email will be your proof that you completed the assessment.

As always, your personal health information will remain confidential – the university will not have access to your individual survey data.

## Medical Coverage

### Premium Rate Increases for 2018

Premium rates for most health insurance plans will increase by 5.7% in 2018. Deductibles, coinsurance rates, drug co-pays, and out-of-pocket limits will not change in 2018. The current deductibles have been in place since 2010.

This is only the second premium rate increase since 2009. The premium increases will ensure that our health plan remains stable and well positioned to meet the needs of our employees and their families. Our intent is to keep premium increases as modest as possible.

### Summary of Benefits and Coverage

The Summary of Benefits and Coverage (SBC) is a document that summarizes important information about your health benefits. The SBC is designed to help you make informed decisions about which medical plan to choose. As part of the federal health care reform legislation, we have made the SBCs available to you at [www.nebraska.edu/benefits](http://www.nebraska.edu/benefits).

### Blue Cross Blue Shield is Mobile

Check out the Blue Cross mobile site at [www.nebraskablue.com/mobile](http://www.nebraskablue.com/mobile) for all the same great information you can access on your computer – in the palm of your hand. You'll also find free apps – such as “EveryMove” and “Find a Doctor” – and other mobile resources to manage and maintain a healthy lifestyle while on the go.

### Continued: Telehealth Services

Health plan members and dependents will have access to telehealth service offered through Blue Cross and Blue Shield. Telehealth services can be utilized for common conditions, such as sinus infection, cold, flu, ear infection, sore throat, migraine, fever, and abdominal pain. In 2017, behavioral health services were added to the telehealth program. These services are subject to coinsurance and deductible amounts. For more information visit [nebraskablue.com/telehealth](http://nebraskablue.com/telehealth) or call 844-733-3627 (when prompted enter the service key BCBSNE).

## Choosing the Right Medical Plan

You have three medical plan options through Blue Cross Blue Shield – low, basic and high. All options include prescription drug coverage through CVS Caremark. The plans differ in the premium, deductible, coinsurance and stop-loss amounts. Take time to compare the three options and find the right plan for you and your lifestyle.

	Low	Basic	High
What do you prefer?	<b>Low:</b> You would rather pay less each month and pay more when you receive medical care. You don't expect to have many medical expenses, but you have enough money on hand to pay the full deductible if you do need care.	<b>Basic:</b> You prefer a balance between the amount you pay each month and the amount you pay out-of-pocket when you receive medical care. Many people find that the basic option is the best choice, from a purely economic perspective.	<b>High:</b> You prefer to pay more each month so you can pay less when you receive medical care.
<b>Monthly Premiums (the amount that is deducted from your pay monthly for medical coverage)</b>			
- Single	\$91	\$155	\$231
- Employee + Spouse	\$116	\$246	\$411
- Employee + Child(ren)	\$104	\$208	\$388
- Employee + Family	\$134	\$314	\$543
<b>Annual Deductible (the amount you pay out-of-pocket for health care before the plan begins to pay. You are responsible for the deductible when you receive care.)</b>			
- PPO	\$1,550 single; \$3,100 family	\$450 single; \$900 family	\$300 single; \$600 family
- Non-PPO	\$1,950 single; \$3,900 family	\$650 single; \$1,300 family	\$450 single; \$900 family
<b>Coinsurance (the percentage of an insurance claim that you are responsible for paying)</b>			
- PPO	You pay 30%	You pay 30%	You pay 20%
- Non-PPO	You pay 45%	You pay 45%	You pay 35%
<b>Stop-loss (the maximum amount you will have to pay per year – not including your deductible)</b>			
- PPO	\$2,500 single; \$5,000 family	\$1,600 single; \$3,200 family	\$1,400 single; \$2,800 family
- Non-PPO	\$2,900 single; \$5,800 family	\$2,000 single; \$4,000 family	\$1,700 single; \$3,400 family

We encourage you to discuss your unique needs, financial status and health coverage concerns with your Campus Benefits Office to make sure you find the right plan for you and your family. More information is also available at [www.nebraska.edu/benefits](http://www.nebraska.edu/benefits).

service if you

The form is available online at [www.nebraska.edu/benefits](http://www.nebraska.edu/benefits). You will receive your prescription within 10 to 14 days after CVS Caremark receives the order. UNIVERSITY OF  
Nebraska®

The University of Nebraska believes its medical plan is a "grandfathered health plan" under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your plan may not include certain consumer protections of the Affordable Care Act that apply to other plans (e.g. the requirement for the provision of preventive health services without any cost sharing). However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act (e.g. the elimination of lifetime limits on benefits).

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to your Campus Benefits Office. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform). This website has a table summarizing which protections do and do not apply to grandfathered health plans.

The University of Nebraska does not discriminate based on race, color, ethnicity, national origin, sex, pregnancy, sexual orientation, gender identity, religion, disability, age, genetic information, veteran status, marital status, and/or political affiliation in its programs, activities, or employment.
