WHEREAS, the goals of the University of Nebraska also including pursuing excellence and regional, national and international competitiveness in research, focusing on areas of strategic importance and opportunity; and

WHEREAS, the University of Nebraska has developed a legislative initiative titled “Building a Healthier Nebraska” that seeks to advance those goals by increasing the health
care workforce, expanding the scope and quality of the University’s cancer research and treatment facilities, creating new jobs and strengthening the agricultural economy; and

WHEREAS, the Building a Healthier Nebraska initiative includes four components: the construction of a new UNMC College of Nursing facility in Lincoln; the construction of a new addition to house UNMC College of Nursing and School of Allied Health programs in Kearney; the construction of a new cancer research tower and treatment facilities in Omaha; and the planning and design of a new Veterinary Diagnostic Center in Lincoln; and

WHEREAS, the State of Nebraska is in a strong financial position to invest in this initiative;

NOW THEREFORE BE IT RESOLVED that the Board of Regents of the University of Nebraska extends its thanks to Senators Hadley, Fulton, Nelson and Hansen for introducing the Building a Healthier Nebraska initiative, and urges the Legislature to adopt the bills that represent its four components.
