

Frequently Asked Questions (FAQs)

Q: How long am I covered?

A: The plan covers you for the period of international travel required by your academic institution and for which you are participating. Travel necessary for the program, including a certain number of days before and after your official dates of study, may be included. Check the specifics of your policy.

Q: What if I lose my ID card?

A: Please contact your program administrator to request a copy of your ID card. If you have an emergency, please proceed to the nearest facility for treatment and call the UnitedHealthcare Global Emergency Response Center at +1-410-453-6330. A copy of your ID card is on file internally and can be accessed by the Emergency Response Center. Please identify yourself as a faculty/staff member or student from and the name of the college/university to which you are associated.

Q: What is covered by the plan?

A: Reasonable expenses, as the result of an accident or sickness, for medically necessary physician office visits, inpatient hospital services, physician and hospital outpatient services, emergency hospital services, and medical evacuation and repatriation. Additional benefits may be available for AD&D and non-medical evacuations due to security or natural disaster occurrences. Check the details of your policy for specific coverage maximums as well as any applicable limitations or exclusions. Please note that evacuation services must be approved and coordinated by UnitedHealthcare Global.

Q: How do I find a covered provider/make an appointment?

A: Contact UnitedHealthcare Global's Emergency Response Center to schedule an appointment for you and arrange for direct payment to one of their doctors. In many countries providers require this at the time of the visit. If this is not arranged prior to the visit, the doctor may require payment up front from you.

A: If the physician recommends a follow-up consultation, please provide this information to the UnitedHealthcare Global Emergency Response Center in order to coordinate this appointment and arrange payment.
