Please identify yourself as a faculty member from the University of Nebraska and identify the campus you are traveling from.

Q: How do I find a covered provider/make an appointment?

A: Contact UnitedHealthcare Global’s Emergency Response Center to schedule an appointment for you and arrange for direct payment to one of their doctors. The UnitedHealthcare Global Emergency Response Center is available 24/7 by phone (call collect) +1.410.453-6330 or e-mail assistance@uhcglobal.com to assist you with everything from routine requests to medical emergencies.

If you make your own appointment, contact the Emergency Response Center at least 24 hours prior to your appointment so UnitedHealthcare Global can provide the doctor’s office with a “guarantee of payment”. In many countries providers require this at the time of the visit. If this is not arranged prior to the visit, the doctor may require payment up front from you.

Please note that providing a guarantee of payment in Japan can be difficult and may require payment directly to the provider. If you pay a provider directly, please save your payment receipt and attach to a claim form for submission. Claim forms may be found on the UHC Global Intelligence Center.

Q: What if I need a follow-up appointment?

A: If the physician recommends a follow-up consultation, please provide this information to the UnitedHealthcare Global Emergency Response Center in order to coordinate this appointment and arrange payment. To request these services, contact the Emergency Response Center by phone (call collect) +1.410.453-6330 or e-mail assistance@uhcglobal.com.

Q: What should I do in the event of a medical emergency?

A: Go immediately to the nearest physician or hospital and then contact UnitedHealthcare Global’s Emergency Response Center by phone (call collect) +1.410.453.6330 or e-mail assistance@uhcglobal.com. UnitedHealthcare Global coordinates emergency services with the coordination of our clinical team and a worldwide network of Physician Advisors. UnitedHealthcare Global members in need of life-saving medical intervention are treated in Centers of Excellence around the world.

If your location is not listed below or the call will not go through, call the 24-hour Emergency Response Center collect (reverse charges accepted).

Dependents must travel with the faculty/staff member on the same itinerary or a shorter time period.
