1. **General.** The Agreement may not be changed in any way except by an instrument in writing signed by both parties. The Contract Documents cancel and supersede any prior understandings or agreements between the parties with respect to the subject matter hereof. Failure of any party to enforce its right under the Contract Documents shall not constitute a waiver of such rights or of any other rights under the Contract Documents.
2. **Termination for Cause.** Owner may terminate the Agreement at any time if Vendor fails to carry out its terms or fails to make substantial progress toward the fulfillment of those terms. In such an event, Owner shall provide Vendor with a thirty (30) day written notice of the terms in breach. If after such notice, Vendor fails to remedy the breach within those 30 days, Owner may immediately cancel the Agreement.
3. **Contract Assignment.** The Agreement shall not be transferred or assigned without prior written consent of Owner.
4. **Indemnity, General and Patent.** Vendor shall indemnify, and save harmless, Owner and its respective officers, agents and employees, from and against any and all liabilities, and losses whatsoever, including without limitation, costs and expenses, in connection therewith, on account of, or by reason of, injury to or death of, any person whatsoever, or loss of or damage to any property whatsoever, suffered or sustained in the case of, or in connection with, Vendor's negligent, wrongful, or intentional acts, errors, or omissions, or breach of this Agreement, except for that liability and loss, arising from the acts or omissions, of Owner or its agents. With respect to anything provided to Owner by Vendor, Vendor shall indemnify Owner and its respective officers, agents and employees against liability, including costs and attorney's fees for infringement of any United States patent, copyright, trade infringement or other intellectual property right arising out of the manufacture, delivery and use of such by Owner.
5. **Governing Law; Venue.** The laws of the State of Nebraska shall govern. Any dispute arising under the Agreement, which is not settled by agreement of the parties, shall be resolved in forums (except for applicable federal appellate courts) located in the State of Nebraska.

In the case of any such excusable delay, the non-performing party will be excused from performance of any affected obligation only for so long as the cause of the excusable delay prevails and such party continues to use commercially reasonable efforts to re-commence performance of its obligations as soon as possible; provided however, that the parties may mutually agree that such excusable delay is cause to cancel the Agreement in its entirety, in which case neither party shall be liable to the other for any further performance in relation obligations arising after cancellation.

individual is an employee or person acting on behalf of the Vendor. A badge worn outside of clothing is appropriate for this purpose. Such identification shall be produced upon request of any Owner representative, in order to confirm that the Vendor's representative is authorized to be present on Owner's property and/or performing as authorized by the Agreement. Whereas campus security is of utmost importance, failure of any Vendor representative to produce the requisite identification upon request, shall be a material breach of the Agreement and shall be cause, at the discretion of Owner, for immediate termination of the Agreement. For those who commonly wear a work uniform, such uniform shall be worn while providing the services related to this Agreement in order that Owner may quickly and clearly identify Vendor's service representatives when necessary. A uniform, however, does not take the place of a photo identification badge.

28. **Legal Relationship.** Vendor shall under no circumstances be considered as an agent or employee of Owner and shall have no right or authority to, in any manner, obligate Owner to any person or company except as authorized in writing by Owner.
29. **Logos or University Marks.** Vendor shall not use or display any University name, logo, trademark, service mark (individually a "Mark" and collectively the "Marks") and/or other indicia designated by University as a source identifier, unless expressly authorized in writing by University. Any unauthorized use of Marks is expressly prohibited. Vendor shall not use University's name in any manner that acts as an endorsement or is an appearance of any endorsement in any promotion, advertisement, solicitation, or other communication, especially as it relates to Vendor's business.
30. **Improper Business Relationships and Conflict of Interest Prohibited.** In connection with this Agreement, Vendor shall ensure that no improper, unethical, or illegal relationships, or conflict of interest exists between or among Vendor, the University and any staff and faculty, and any other party to this Agreement. Owner reserves the right to determine the materiality of such relationships, when discovered or disclosed, whether intended or not; and to decide whether or not cancellation of award shall result. Such cancellation shall be at no fault or liability whatsoever to Owner.
31. **Electronic and Information Technology Accessibility.** All electronic and information technology procurements, agreements, and contracts shall comply with Americans with Disabilities, Section 508 or the Rehabilitation Act of 1998 as amended and the Nebraska Accessibility Policy to be found at: <https://nitc.nebraska.gov/standards/2-Chapter.pdf>.
32. **Work Status Verification.** Vendor, on behalf of itself and any sub-vendor to the Agreement, agrees that it shall use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska pursuant to Neb. Rev. Stat. 4-108 to 4-114 as amended.
33. **Vendor's Certificate of Insurance.** Vendor will be required to furnish a certificate of insurance with bodily injury/personal injury/liability coverage, property damage liability coverage, and workman's compensation coverage. This certificate must be on file prior to any commencement of Work. It is necessary that the "Board of Regents of the University of Nebraska is listed as an additional insured" be added to the face of the certificate for all coverage except worker's compensation and professional liability (if required). The above statement must be worded in this manner. It is also necessary that a "Completed Operations Coverage" must be included as part of Vendor's General Liability.
34. **Debarment.** Vendor certifies and warrants that it has not been debarred, suspended, or declared ineligible as defined in the Federal Acquisition Regulation 48 CFR Ch.1 Subpart 9.4. Vendor also certifies that Vendor, its partners, directors, officers, employees, licensees, subcontractors, or agents have not been excluded or debarred or otherwise become ineligible to participate in federal health care programs pursuant to 42 USC § 1320a-7. The certification and warranty set forth in this section shall be an ongoing certification and warranty during the Term, and Vendor shall immediately notify University of any change in the status of the certification and warranty set forth in this section. If Vendor becomes excluded from federal health care program participation or placed on the Consolidated List of Debarred, Suspended, and Ineligible Contractors, this Agreement may be terminated immediately, for cause, by University. If any partners, directors, officers, employees, licensees, subcontractors, personnel, or agents of Vendor become excluded from federal health care program participation, such individual shall be removed from participating in this Agreement immediately. Failure by Vendor to remove such excluded individual immediately shall provide University the right to terminate this Agreement immediately for cause.
35. **Federal Funding Compliance.** If this Agreement involves federal funds, (a) Vendor's compliance in all respects with all applicable federal anti-discrimination laws is material to Vendor's performance under this Agreement; (b) Vendor certifies that it does not operate any programs promoting diversity, equity, and inclusion that violate such laws; and (c) Vendor's failure to comply with such laws shall be considered a material breach of this Agreement.

If this Agreement is for \$15,000 or more and involves federal funds, then Vendor shall comply with 41 CFR §§ 60-300.5(a) and 60-741.5(a), which are incorporated herein by this reference. These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities and action to employ and advance in employment individuals without regard to disability or veteran status.

If Vendor has fifty (50) or more employees and this Agreement involves payment of \$50,000 or more in federal funds to Vendor, then Vendor shall develop or maintain a program as described in 41 CFR 60-741, subpart C. If Vendor has fifty (50) or more employees and this Agreement involves payment of \$150,000 or more in federal funds to Vendor, then Vendor shall develop or maintain a program as

described in 41 CFR 60-300, subpart C. To the extent any of the provisions of Appendix II to 2 CFR Part 200 apply to this Agreement, such provisions are incorporated herein by this reference and apply to Vendor as a "contractor," "recipient," or "subrecipient."

36. **Taxpayer Transparency Act.** Under Neb. Rev. Stat. §§ 84-602.01 to 84-602.04, University is required to provide the Nebraska Department of Administrative Services with a copy of each contract that is a basis for an expenditure of state funds, including any amendments and documents incorporated by reference in the contract. Copies of all such contracts and documents will be published by the Nebraska Department of Administrative Services at <https://statecontracts.nebraska.gov/>. It shall be the sole responsibility of Vendor (a) to notify University of any requested redactions to this Agreement, any amendment to this Agreement, and any document incorporated by reference into this Agreement and (b) to indicate the legal basis for such requested redactions at the time of execution thereof. In addition, Vendor shall defend any challenge to such redactions at its own expense. Vendor's failure to request redactions to any contracts or documents released by University under this section shall constitute a complete waiver of any and all claims for damages caused by any such release.
